

Antrim Lake Metro Park Senior Hike

Saturday, June 19th, 2021 @ 10 A.M.

In town hike – Miles: 2 Level 1

Car Pool Location: no car pool. Some hikers might want to ride together because the parking lot is not very large, and it is a busy park.

Directions to Hike:

the park is located on Olentangy River Road about 2 miles north off Bethel Road, on the east side of the road, and the entrance has a flashing light.

Hike Description:

Weather permitting; we will hike along the river the length of the park, then around the lake on the way back to our cars. We will be walking mostly in the shade and single file because the trail along the river is narrow with some roots showing. It is pretty and peaceful, though.

Suggested items to bring:

Water; wear comfortable shoes and dress according to the weather.

Lunch Location:

You could bring a sack lunch – there are several picnic tables on top of a small hill opposite the parking lot. As an alternative, there is a Bob Evans at 900 Bethel Road, second light, going west, from Olentangy River Road.

Hike Leader: Gerlinde Lott **Sweep:** Jan Boomershine
