The lot is called Apple Ridge and is adjacent to the picnic shelter.

### Hike description:

We will hike several of the park's trails including Spring Creek Trail, Lake Trail, Edward S. Thomas Trail, and Oak Openings Trail. These trails will lead us to a lovely view of Schrock Lake. For the first half mile of the hike, there will be some moderate inclines but after that the hike will be fairly flat. There are restrooms adjacent to the parking lot and we will also pass restrooms around the midpoint of the hike.

### Suggested Items:

Water, bug spray, sunscreen, hiking shoes and poles if desired.

### Dinner location and directions:

We will eat at O'Charley's at 6285 Cleveland Avenue. When leaving the park, turn right on Cleveland Ave. and proceed about a half mile (heading south). The restaurant will be on your right.
