Bailey Rd. The trailhead will be on the right. There are new restrooms (pit toilets) at the trailhead.

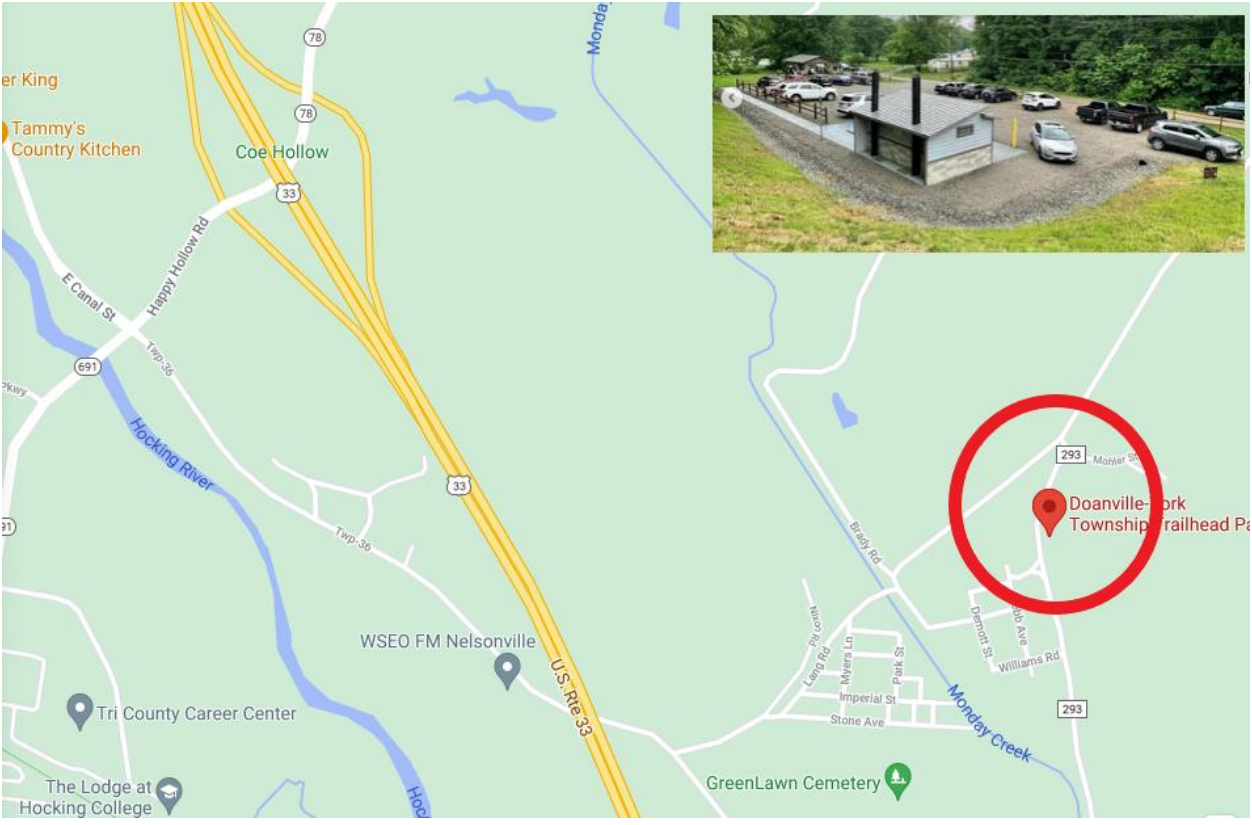

Hike Description:

This is a heavily wooded area so we will be in full shade for the entire hike. The [Baileys Trail System's](#) goal is to be a premier mountain biking destination. They have planned 88 miles of trails of which they have completed 26. We will be hiking the Doanville School, Holler Collar, and Bullfrog Loop trails. These very nice single track dirt trails. They are gently rolling (no steep climbs) and skirt the hills in Wayne Nation Forest. We will see deep ravines and there is a small pond about midway.

Dinner Location and Directions:

Olde Dutch Restaurant 12791 OH-664, Logan, OH 43138. We WILL NOT have reservations; however they have always put us together. Get back onto US-33 and drive 15 miles to exit SR-664 and turn RIGHT. The restaurant will be on your LEFT.
