Directions to Hike (Round Trip Distance 130Miles):

Exit Mall and turn left onto W. Wilson Bridge Rd. Choose the right-hand left turn lane to turn left onto N. High St/US-23. Bear right immediately to take I-270 (exit 101A). In approx. 0.5 mile, take I-71N (exit 26) and proceed about 46 miles to exit 165 onto SR97 toward Bellville. In 0.9 miles turn left onto Spayde Rd. In 1 mile turn right onto SR13. In another mile turn left onto Mill Road (also called SR97 east). Follow SR97 for 12 miles then turn left onto ODNR Route 51. Follow the COVERED BRIDGE signs 1.2 miles to the Covered Bridge. We will meet at the Covered Bridge parking lot. If the parking lot is full, cross the Covered Bridge and find parking on the other side (restrooms can also be found on the other side).

Hike Description:

4.6 miles out and back from the Covered Bridge to the Fire Tower. The trail is classic eastern forested beauty. There always seems to be a couple annoying mud spots to otherwise spoil a near perfect trail. Great views from atop the fire tower (optional).

Suggested Items to Bring:

Water, hiking poles, boots, etc. Dress for the weather.

Dinner Location and Directions:

Der Dutchman, 720 SR 97 W. Bellville, OH 44813. (419-886-7070). Retrace your drive back to I-71. Der Dutchman will be on the right 0.4 mi. before you reach I-71.
