

CENTRAL OHIO HIKING CLUB

SENIOR --Scioto Audubon Metro Park

Saturday – November 27, 2021 @ 1:00 P.M.

Car Pool Time: In town hike, no car pool

Miles: 3 Level: 1

Directions to Hike: Scioto Audubon Center's address is: 400 Whittier Street, 43215. From the North: because the exit to Greenlawn Ave from I-71 South is permanently closed, I suggest taking High Street south to Whittier Street, turn right (west) which will lead you directly into the Park.

From the South: take the Greenlawn exit, go east onto Greenlawn Ave., then left/north onto Front Street, At the light, turn left into Whittier Street. We will meet in the parking lot of the Grange Insurance Audubon Center (first parking lot). Rest rooms are available.

Hike Description:

We will hike all the connected trails within this park. We start out walking along the Scioto River for a while, then continue to the northern edge and the Dog Park area. On our way to the Columbus Rotary Obstacle Course we will walk past the Climbing Wall and possibly see some young athletes testing their strength. We will have one small incline, all the other trails are flat.

Suggested Items to Bring:

Water, sturdy shoes, hat. Dress for the weather.

Dinner Location and Directions:

The matter of dining as a group will be determined on the day of the hike, based on factors that will be discussed at the hike.
