

A trusted referral partnership and additional revenue stream.

Build your B2B book of business!

Employees referred back to you for financial guidance.

## Xperience Referral Partnerships

Grow your client base through strategic partnerships in Employee Benefits and HR.

**Do you want to grow your B2B book of business?** A partnership with Xperience Benefits may be a perfect fit to help you grow your client base and increase revenue and income.

We have found that many financial advisers are seeking more opportunities to grow their clientbase through employee benefits. We partner with local trusted financial advisers to bring more value to our clients. Our partners help provide financial consulting for the company as well as complimentary education and planning for the employees.

In this competitive labor environment, business owners need every tool available to **attract**, **inspire** and keep great employees so they can **grow** their business.

This strategic partnership helps create a Win-Win for all parties: the company, employees, and you!

**ATTRACT and INSPIRE your clients  
so you can GROW your business!**
