

SYSTEM UPDATES

We have added a line item to the budget entitled "Reserve for System Improvements" and are depositing \$7,000 a month from the recent rate increase into this reserve. We will use this reserve to begin making the improvements and updates necessary to ensure that our system is able to reliably provide water to all connections well into the future.

Our first project is underway on Rae Rd.

BOARD MEETINGS

The board meets on the third Wednesday of every month at 6:00pm in the community meeting room at Kelso Starbucks (100 N. Minor Rd.).

Note: Board meetings for July and August of this year have been suspended and will resume in September.

SUMMER REMINDERS

As we head into the warmer months, please keep an eye out for Conserve Water signs. We will put signs along the road should the need arise.

Please remember that we should always be careful with our water usage.

REMINDERS

See Something, Say Something - If you see water and suspect a leak, call us right away: Linda 360-901-5265 or Ryan 360-901-7778.

Do Not Park on Meters - We need 24-hour access to meters for maintenance and repairs. This is especially important the first week of the month when meters are read.

Reference: *Administrative and Operating Rules - Section 13(c).*

No Cash Payments - Please **do not** put cash in the payment box at the store.
