

SYSTEM UPDATES

We are now registered with NW Database. This means that, going forward, if you plan to dig and need a locate, please call 811.

ADMINISTRATIVE UPDATES

Just a reminder, Carrolls Water Association is owned by all of us and is managed by a volunteer board. We do not have an office or dedicated hours of operation. When calling the number on the website, you are forwarded to the personal cell phone of our Treasurer. She handles most customer service issues as they arise.

We now have a **Facebook page**! We'll use it to supplement our existing communication methods, including email, phone, and our website. We plan to use it to share updates more promptly, including planned and unexpected water outages, billing issues, and other timely information.

We know not everyone uses Facebook, so our other communication methods will remain in place. Facebook is simply another way for us to keep members informed.

BOARD MEETINGS

The board meets on the third Wednesday of every month (except for February) at 6:00pm in the community meeting room at Kelso Starbucks (100 N. Minor Rd.).

In February, we hold the Annual Membership Meeting at Carrolls Elementary School.
