FY 2023-2025, Zero Contract Disputes

TARGET FEDERAL MARKETS

- Power generation facilities – DOE & military installations
- Industrial control systems – DoD facilities & VA medical centers
- Critical infrastructure & backup power systems
- Emergency repair services for mission-critical operations
- Prime contractor subcontracting – SDVOSB socioeconomic goals
- Depot-level maintenance & logistics support (DLA)

WHY CHOOSE US

Easy to Do Business With
GSA Schedule eliminates lengthy procurement. SDVOSB status supports small business compliance goals instantly.

Proven, Reliable Quality
99%+ post-repair reliability backed by a 36-month warranty. Zero disputes across all federal contract history.

Rapid Response
5-7 day turnaround. When systems go down, we deliver fast – reducing mission impact and downtime costs.

NAICS CODES
