

SOUTH BREVARD SHARING CENTER

The holiday season is a time of joy and generosity, and here in Brevard, our community has always come together to make sure every child feels the Magic of Christmas. Each year, the South Brevard Sharing Center partners with nearly 40 local businesses to collect toys for children whose families are struggling. We invite you to join us again this year in bringing hope and holiday cheer to our neighbors.

OCTOBER 20 - DECEMBER 5

Three ways to get involved:

1. Adopt & Shop

Help make a child's Christmas wish a reality. You will be provided the specific lists for individual children on ornaments to display at your business.

2. Make a financial donation to fund gifts & meals.
