Dear Loyal Supporter,

The holiday season is a time of joy, togetherness, and hope. Yet for many of our neighbors, it can also be a season of deep worry—wondering how to provide a holiday meal or gifts for their children when even daily needs feel out of reach.

According to the 2025 Community Health Needs Assessment, a staggering **34.4% of our population is experiencing food insecurity**. That means more than one-third of our neighbors may be worrying not just about holiday gifts, but about their meals.

That's why your support of the Magic of Christmas is more essential than ever.

This year, the South Brevard Sharing Center is joining hands with Providence Connects (formerly Daily Bread) because we believe every family deserves to experience the warmth and dignity of the holidays. Over the past year, this partnership has strengthened our ability to serve, allowing us to expand our pantry hours, offer Fresh Choice shopping, and reach more families than ever before.

The Magic of Christmas is one of our most treasured traditions. This year, we are preparing to provide **holiday meals for 350 families and more than 1,000 gifts for children** who might otherwise go without. But it is more than meals and presents—it is a message of hope, letting families know they are not forgotten, that their community cares, and that brighter days are ahead.

Your tax-deductible gift today will bring not only joy and nourishment but also the peace of mind that comes with knowing a caring community is standing beside them. To donate, please visit www.mysharingcenter.org or use the enclosed envelope. Every gift matters, and every act of generosity helps restore dignity and hope.

Together, we are building something even stronger for Brevard. Thank you for making the Magic of Christmas possible, and for bringing joy and comfort to families who need it most.

With gratitude,

Jessica Devine
