We offer wrap-around services that address immediate needs and lay the foundation for long-term success. Our workforce readiness program equips individuals with the skills and confidence to secure meaningful employment, while our dedicated case management team provides tailored guidance and resources. Together, we build a path to self-sufficiency, empowering clients to achieve their fullest potential and create lasting positive change in their lives.

Office Dynamo. You will support staff with various office duties. You will answer phones and provide resource information to callers in need of assistance.

Food Pantry

Our food pantry serves our community who are experiencing hunger and food insecurity and provides them with essential emergency food assistance.

Pantry Fulfillment Specialist. You will be face to face with clients as you distribute food according to family size and dietary needs.

Pantry Resource Guardian. Quality control is your mantra. You will be behind the scenes processing the intake of food donated items. Donations are weighed, recorded, marked, rotated and stocked on shelves for distribution.

Thrift Shop

Our store is run entirely by volunteers who donate their time and talents to help us raise funds to supplement our food pantry. Volunteering at our thrift store is a great way to support our food pantry and serve our community!

Register Rockstar. As a cashier you are the first and last face seen by our customers so a pleasing personality, smile, and awesome counting skills are a must for this role.

Merchandise Maestro. Creativity and your design skills are valued. You will inspect donations by sorting, tagging, pricing, and placing merchandise to the sales floor while maintaining the sales floor clutter free and visually appealing.

Merchandise Maestro (Virtual). In this role you curate and manage the online presentation of our items to enhance the shopping experience, attract traffic to our store and drive sales.
