ADDITIONAL EXPENSES

Tryout Fee \$70	This covers your registration into our program, your athletes evaluation and our new 2020-2021 practice bow!
Season Deposit Fee \$150	The season deposit fee covers frontloaded cost that the gym incurs at the beginning of the season. Collecting the seasons deposit fee slightly decreases your monthly payment and allows us to pay for expenses on behalf of your athlete.
Comp Fees \$300-400	New this year we are taking the competition fees out of the monthly payment, as with COVID-19 we are unsure of what the competition season will look like. This amount is a rough estimate, as it is unknown how many competitions we will be able to attend. Competition fees will be due 4 weeks before competition.
USASF Membership \$30	This is a required annual fee for all competitive athletes, all parents will be required to log onto USASF and complete their athletes certification in order to be eligible for the 2020-2021 competitive season.
Uniform est. \$200	We will creating a new REBEL uniform specifically for our Half Year Team!

Tuition is based on a 4 week month, with all scheduled closures (holidays, seasonal closures, closures due to weather) being pro-rated into monthly costs. We are confident that our fees are some of the lowest rates in Colorado while offering top notch training facilities and coaches!
