TERMS & CONDITIONS

BY REGISTERING AS A BUYER OR SELLER, YOU ARE AGREEING TO THE TERMS AND CONDITIONS OF THE AUCTION. The State of Alabama currently restricts the shipment of deer into Alabama and all buyers and sellers must comply with current regulations. The laws and regulations in effect at the time of the sale will prevail.

DONATED LOTS = 100% Due Day of Auction.
CONSIGNED LOTS = 10% Commission Due Day of Auction.

All credit card payments will be charged a 3% convenience fee. Any purchases not paid the day of the sale will be charged a late fee of 2.5%. An additional \$5.00 per day will be charged after 5 business days on any outstanding balance. Any additions or changes to the auction catalog will be made by the auctioneer or auction announcer from the auction block at the time of the auction. Items may be changed or added to at the discretion of the ADA or the auctioneer. All lots auctioned will be sold to the highest bidder as determined by the auctioneer. The Alabama Deer Association will only be the selling agency. All contracts are between the buyer and the seller. The delivery of all lots sold at auction must be arranged by the buyer and seller. The ADA will not assume any responsibility for the delivery or transfer of any animals, materials or services sold at auction. Representations and guarantees are strictly between the consignor and the buyer. The ADA recommends that the buyer assures himself/herself of the quality and condition of the lot before purchasing and delivery of the animal, material or service. The ADA and any other persons involved with the production of the auction will not be held liable for any accidents that may occur during the function or event. Any and all disputes during the auction will be settled by the auctioneer. The auctioneer's decision on any bidding dispute or misunderstanding is FINAL. **SALE DAY ANNOUNCEMENTS TAKE PRECEDENT OVER PRINTED MATERIAL.**

TRAUMA**

Did you know heavy impact trauma can negatively influence medical treatment? We do. Which is why we've spent over 50 years perfecting the ideal remote delivery device. Shorter in length and the lightest on the market, Our RDD provides the

ultimate in accuracy while reducing the potential for hematomas, which can cause reduced drug efficacy. Highly effective and herd preferred. That's Pneu-Dart.
