# TERMS & CONDITIONS

BY REGISTERING AS A BUYER OR SELLER, YOU ARE AGREEING TO THE TERMS AND CONDITIONS OF THE AUCTION. The State of Alabama currently restricts the shipment of deer into Alabama and all buyers and sellers must comply with current regulations. The laws and regulations in effect at the time of the sale will prevail.

**DONATED LOTS = 100% Due Day of Auction.**  
**CONSIGNED LOTS = 10% Commission Due Day of Auction.**

All credit card payments will be charged a 3% convenience fee. Any purchases not paid the day of the sale will be charged a late fee of 2.5%. An additional \$5.00 per day will be charged after 5 business days on any outstanding balance. Any additions or changes to the auction catalog will be made by the auctioneer or auction announcer from the auction block at the time of the auction.

Items may be changed or added to at the discretion of the ADA or the auctioneer. All lots auctioned will be sold to the highest bidder as determined by the auctioneer. The Alabama Deer Association will only be the selling agency. All contracts are between the buyer and the seller. The delivery of all lots sold at auction must be arranged by the buyer and seller. The ADA will not assume any responsibility for the delivery or transfer of any animals, materials or services sold at auction. Representations and guarantees are strictly between the consignor and the buyer. The ADA recommends that the buyer assures himself/herself of the quality and condition of the lot before purchasing and delivery of the animal, material or service. The ADA and any other persons involved with the production of the auction will not be held liable for any accidents that may occur during the function or event. Any and all disputes during the auction will be settled by the auctioneer. The auctioneer's decision on any bidding dispute or misunderstanding is FINAL.

**SALE DAY ANNOUNCEMENTS TAKE PRECEDENT OVER PRINTED MATERIAL.**

# Combining Compassion with Innovation™

## Safe and Effective Immobilization & Sedation Solutions for Deer

### MK2™ - Proprietary Formula

Our MK2™ Kit contains a higher concentration of medetomidine and ketamine than the MK formulation and thus provides longer and deeper sedation, extended working time and quick recovery. It's recommended for larger-bodied white-tailed deer and bucks (as well as other large species).

### MKB™ - Proprietary Formula

Our MKB™ Kit builds on our MK combinations by adding butorphanol. The MKB™ formulation offers smooth induction with faster reversal times than the MK formulation due to a lower concentration of ketamine. It's recommended for free range capture scenarios where there is a risk of losing the animal post-injection.

### MK

Our MK Kit was developed to immobilize a broad range of exotic animal species. It's an excellent choice for a broad range of field work offering smooth induction and quick recovery times. It's recommended for use on fawns and smaller does.

LOT 22

**2 1/2 DAY LOUISIANA ALLIGATOR HUNT**

**TROPHY COLLECTORS CONSULTANTS**

**Keith O'Neal**

PO Box 3908, Oxford, AL. 36203  
PH: 256-310-4424, Email: TCCHunts@gmail.com

Trophy Collectors Consultants is donating a 2 1/2 day Louisiana Alligator Hunt. This donation includes meals, lodging, boats, etc. Each hunter will be allowed to kill up to 5 alligators each and can keep 1 trophy and 1 meat alligator. The lodge is located 45 minutes south of New Orleans. The season starts the Wednesday before Labor Day and it goes for 60 days. We try and do all of our trips before mid-October due to weather. The winning bidder will need to arrive to the lodge after 12:00pm on day 1. Then you will hunt full days on day's 2 and 3 and you will depart before 12:00pm on day 4. You will not be able to take any hides, skulls, or meat home with you due to the alligator being a Federally protected species. All parts of the alligator must be inspected before they can leave the state. Once your alligators have been inspected, we can arrange

shipping or pick-up for you at your cost. You also have the option to leave your trophy with us and we can take them to our taxidermist or tannery. The cost is \$2,750 per person and the winning bidder must bring along 1 full paying client. We can handle up to 6 hunters at a time. Each client will have to buy a \$150 alligator permit and a non-resident fishing license. (\$65) This is a 100% Donation to your fundraiser for one client for the 2023 Louisiana Alligator Season. The winner must bring along one full paying client.

## Rack Plus™ for Outstanding Results

Outstanding performance is the hallmark of ADM's Deer and Elk Feeding Program. This proven program incorporates the latest technical advances in cervid nutrition with ADM's time and field-proven formulation and feed technology techniques to deliver the right balance of protein, energy, vitamins and minerals that help enable deer and elk to reach their full genetic potential.

Choose from these performance-proven products for commercial deer production:

### Deer & Elk 18-4 Select (81691AAA)

*Complete grain mix designed to be fed to growing and breeding deer and elk*

- 18% protein, 4% fat, and no more than 14% fiber
- Multiple protein sources and balanced amino acid profile
- Stabilized rice bran and wheat germ
- Highly digestible energy and fiber sources
- Balanced vitamin/mineral package, including complexed (organic) trace minerals, partial vitamin E from natural-source, and selenium yeast
- CitriStim, PremiDex™, Thermal Care R, Antler D™\*, and garlic
- Direct fed microbial

### Deer & Elk 18-4 product options

#### 81687AAA with Thermal Care™ R

- Patent-pending technology that utilizes specially selected, research tested compounds to help animals cope with heat stress

#### 81689AAA with garlicum

#### 81690AAA with Thermal Care R and garlicum

Feed Deer & Elk 18-4 and 18-5 products with quality forages at a rate of 2 to 6 lb per head per day or as body condition and production stage dictates. All Deer & Elk 18-4 and 18-5 products are mini-pelleted.

# THE DEER REPRO PIONEERS AND SPECIALISTS

Dr. Jason Coe, Veterinarian

Dr. Mike Bringans, Consultant

ADG pioneered many of the deer AI and ET systems used today.

ADG is an International company with clients in USA, NZ, China, Korea, Europe, Africa, Canada, Mexico.

ADG has a state of the art mobile semen processing unit, based in Texas, offering service throughout the USA.

ADG performed all the initial sexed semen research with Sexing Technologies.

ADG has vast experience in reproductive work with whitetail, mule deer, red deer, elk, fallow deer, sika, marlu, sheep, goats and exotic species.

ADG is successfully running Elk and Fallow deer ET programs.

# LIGHTER WEIGHT. MORE EFFECTIVE. MINIMAL TRAUMA.

IF YOU HAVEN'T TRIED PNEU-DART'S RDDS,  
YOU'RE MISSING MORE THAN YOUR TARGET

Did you know impact trauma can negatively influence medical treatment? We do. Which is why we've spent 50+ years perfecting the ideal remote delivery device. Shorter in length and lightest on the market, our disposable RDDs provide ultimate accuracy while reducing the potential for problematic hematomas.

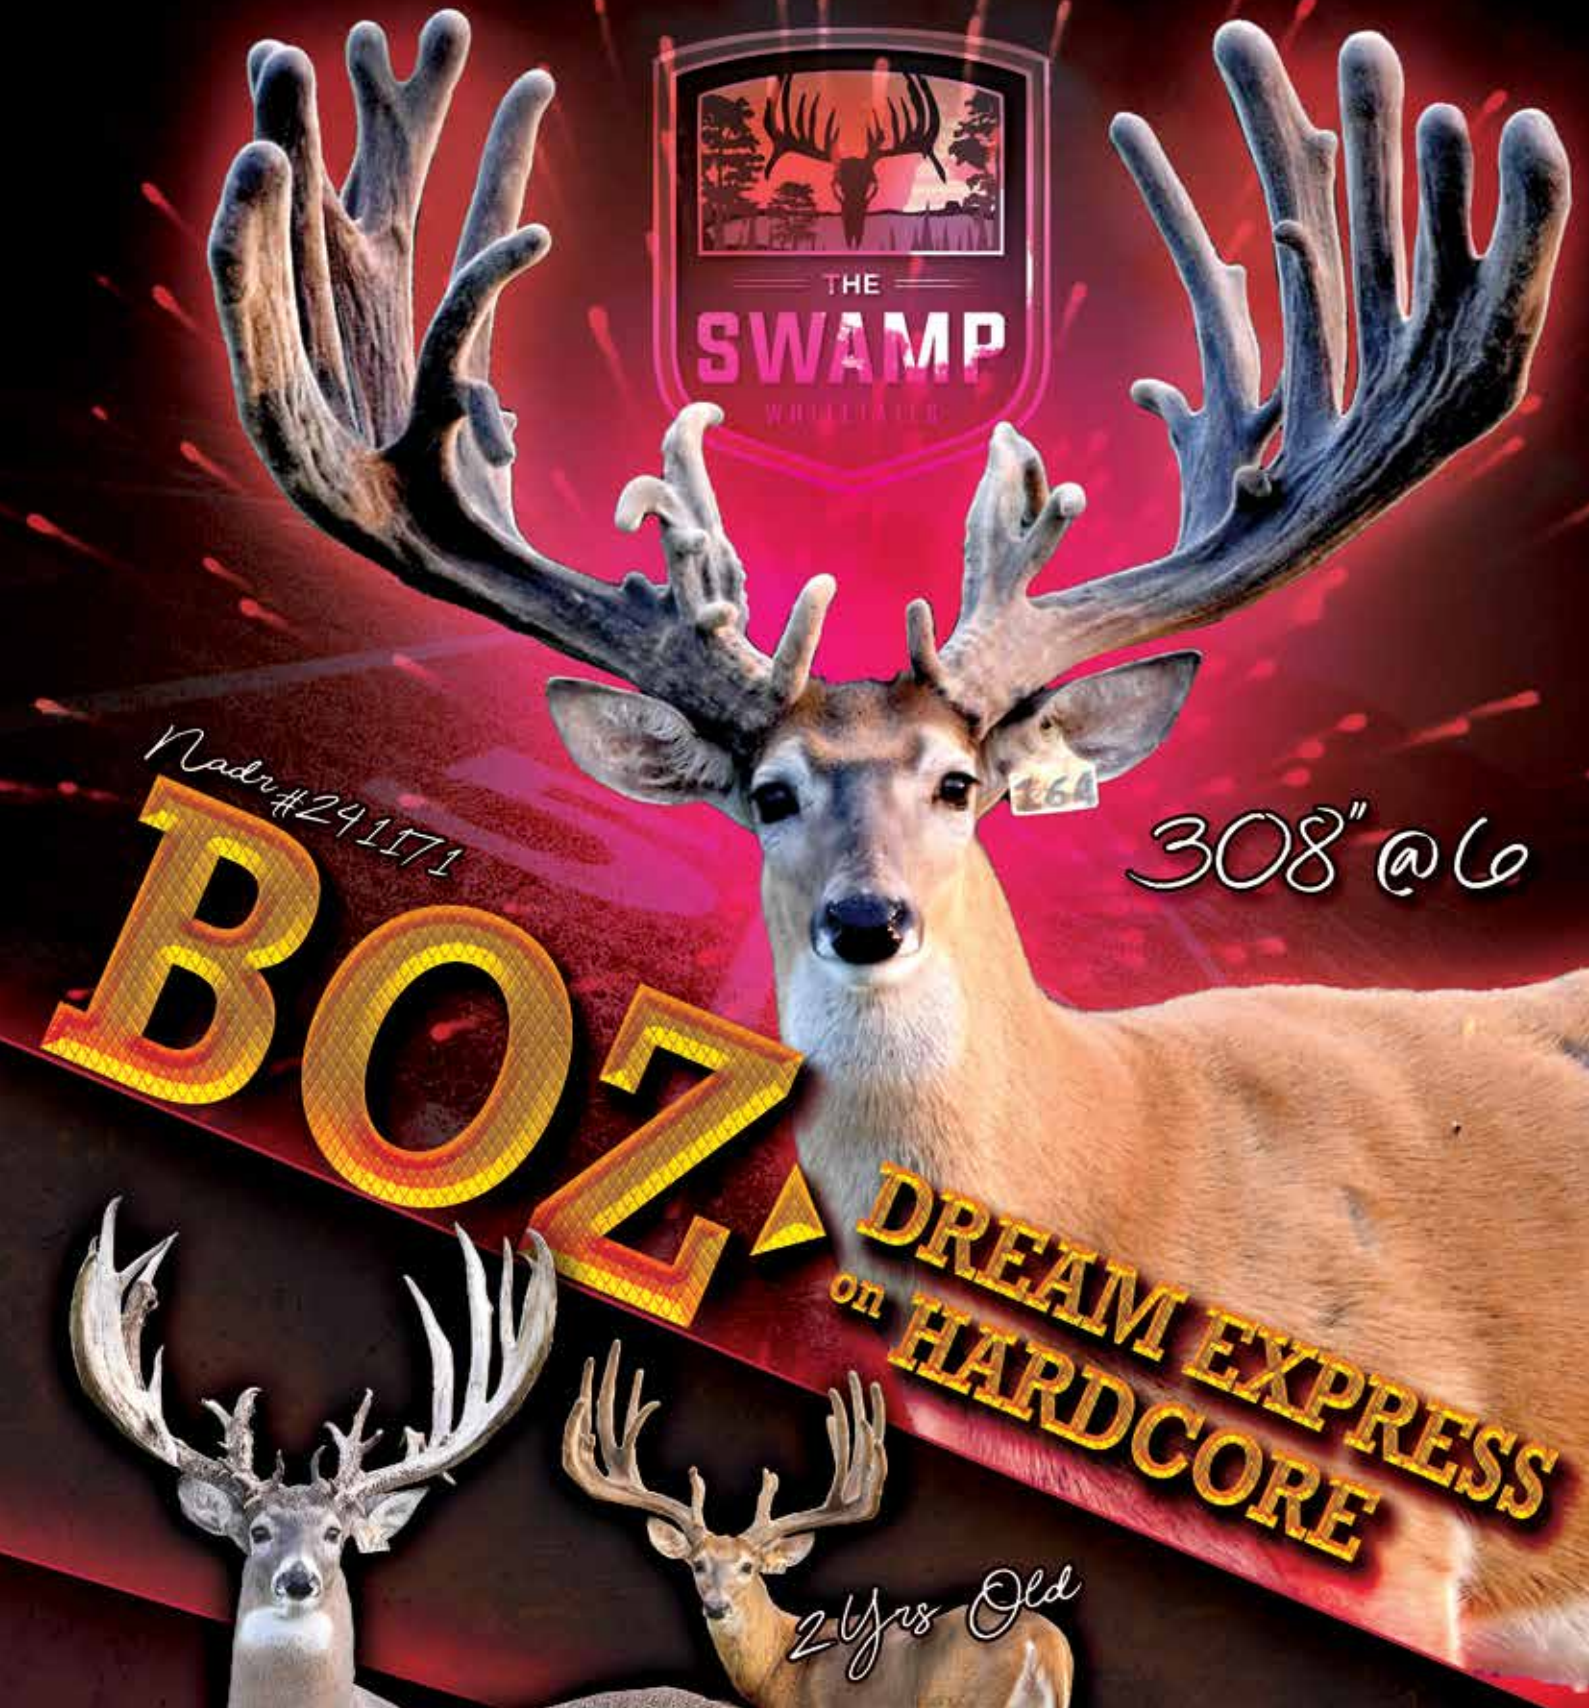

Don't miss your target. Hit it with Pneu-Dart.
