This beautiful hunting area is nestled in the foothills of the Great Winterberg Mountains and is comprised of 80,000 acres with very few high fences. Mankazana offers the finest free range hunting for Eastern Cape Greater Kudu and Bushbuck to be found anywhere. Over 30 species are offered to the discriminating hunter. Our motto is "Come Prepared to Walk and Stalk the Game." Shooting from vehicles is strictly forbidden, but in our game rich country anyone who can walk a mile can have a successful hunt.

Extra hunting days may be booked with the extra charge of \$350/day/hunter. If the winning bidder upgrades to a 10 day Hunt (extra \$1,050 charge), they will then receive a \$1650 Trophy Fee Credit. All animals taken during the Hunt will be at Current. **Trophy Fee Prices** may be subject to change from year to year. If a hunter fails to shoot the donated \$1250 Trophy Fee Credit, there will be NO refund given to the hunter. Remember that any animal wounded and not recovered is considered taken and the full Trophy Fee is due.

breeding for CWD resistance. Since 2018 we've been breeding to create double marked animals and have now added Dr. Seabury's approach, focusing mainly on the SS markers and lowest possible GEBV scores. We've donated choice straw between our newest 2 year old breeders Streakin Six (SS -0.118) and Rocket Wrangler (HS -0.130). These two awesome 2 yr olds carried a heavy load for us this fall and will be a huge part of our program for years to come. Streakin Six was an astounding 36 3/4" inside and Rocket Wrangler was an impressive 28 1/4". This is a 100% donation so throw your hand up support YOUR ADA!! See our ad!
