Thank You to All Who Participated!

CEDAR VALLEY FARMS |

344 ± ACRES | SHELBY COUNTY, ALABAMA

Located just 45 minutes from Birmingham, Cedar Valley Farms is a premier recreational tract with a custom built home and deer breeding business. Featuring everything you dream of in a southern farm, including mature hardwood timber, pasture land, and a stocked fishing lake, Cedar Valley Farms has something for everyone that enjoys outdoor recreation and country living.

- 5,740 SqFt custom home built in 2019. Features an open floor plan, huge kitchen and pantry, 2 car garage plus golf cart storage, 4 total bedrooms with private baths, huge master suite, and an office with gun display cabinets and seperate bathroom.
- Deluxe outdoor kitchen with a grill, stove top, fireplace, TV, sink and ceiling fans. Adjacent is an 400 SqFt log cabin plus additional loft for sleeping quarters with a full kitchen, full bath, and 2 porches.
- 8,000 SqFt Pole Barn, 4,000 SqFt open face pole barn, plus two 1,500 SqFt garages
- 280 acres of timber, plus an additional 40 acres of fully fenced pasture.

Among its seemingly endless highlights and features, the fortunate buyer will have the opportunity for significant income. The current owner has created a thriving deer breeding business with a 16 acre facility on the property. Cedar Valley Whitetails is well known for its bucks, and the demand for their deer outpace the supply. Their most famous buck “Zeus” scored an impressive 400+” at 3-years old. Inside the facility you will find that just like the rest of the property, everything was built first class. The shop features a Declayna deer handler and tunnel system with 12 fawn bottle raising facilities. Outside of the facility are 6 separate paddocks with 8’ high tensile fixed knot fencing, double access gates, water and feed troughs, and predator wire on the perimeter. Since a breeding facility is already in place, this property has excellent potential as a high fence hunting operation. The unique combination of location, land features, income potential, and move-in ready amenities make Cedar Valley Farms a truly remarkable opportunity.

Deer Draw feed and attractants are formulated to attract and grow trophy whitetails.

From maximizing body condition and antler development with Deer Draw Grower/Breeder and Deer Draw Hi Pro 21% to drawing out nocturnal bucks with original Deer Draw and Deer Draw Max, the Deer Draw line has it all.

The Deer Draw and Deer Draw Max attractants also establish mineral sites naturally over time without any extra effort to keep deer coming back right where you want them.

COVEY CREEK

Thoughtfully designed and maintained for the serious wildlife management minded outdoorsman or trophy hunter.

Covey Creek is a **200 acre wildlife enclosure** located just one hour from Birmingham or Tuscaloosa in Perry County, Alabama.

This fenced and gated property has county road frontage with power and water. The genetics of the stocked trophy whitetail herd are from a well known, local breeder and have proven to produce **140-200 inch bucks** at only two years old. There are **four** established, year round food plots with shooting houses plus several two man ladder stands with feeders in strategic and proven locations. The creek and swamp provide great duck hunting opportunities plus cover and water for the trophy deer herd and the thinned pine timber is reminiscent of a southern quail plantation.

The diverse habitat adds to the beauty of this property and allows the wildlife to thrive. In addition to trophy whitetail and duck hunting, the turkey hunting is great and several areas are perfect for released quail and other wing shooting opportunities. **Over four miles of roads and trails** allow easy access and use of the entire 200 acres. Covey Creek is a special place in a great location that is established and ready to enjoy today. **Priced at \$799,900.**

OUR RDDS ARE RIGHT ON TARGET

THANKS TO OUR PATENTED SLO-INJECT® TECHNOLOGY

Our disposable RDDs are shorter in length and the lightest on the market thereby providing the ultimate accuracy while reducing the potential for problematic hematomas. Our Slo-Inject® technology means that your medicine is delivered in the most effective manner possible.

Pneu-Dart. Always right on target.
