

Welcome to the Sarasota County Dental Association: Where Dental Professionals Connect and Lead

Sarasota County Dental Association (SCDA), together with our tripartite partners—the West Coast District Dental Association, and Florida Dental Association, and the American Dental Association—is committed to ensuring that you fully benefit from your membership. These benefits include:

- Continuing Education (CE) opportunities
- Insurance and financial resources
- Networking and community engagement
- Public education through media outreach, including digital and social platforms, news releases, and special events (e.g., Mission of Mercy)
- Member Assistance Programs (such as life coaching, personal assistance, and mental health services)
- Members-only peer review and legal support
- Career Center resources for job opportunities and professional development
- Hurricane and disaster preparedness resources
- Discounts on dental supplies
- Publications and professional promotion opportunities
- Advocacy through state and federal Political Action Committees
- Assistance with third-party payers
- And much more

This year, the primary goal of your SCDA Executive Board is to help you stay informed, connected, and fully engaged with these valuable resources—and with one another—so that nothing is lacking in your pursuit of professional success.

I invite you to join me and the Executive Board as we work together to make this an exceptional year for our practices, our profession, and the communities we serve.

Sincerely,

Sharon Y. Colvin
