SAINT OF THE WEEK

ST. CHARLES BORROMEO

The name of Charles Borromeo is associated with reform. He lived during the time of the Protestant Reformation, and had a hand in the reform of the whole Church during the final years of the Council of Trent.

Although he belonged to the Milanese nobility and was related to the powerful Medici family, Charles Borromeo desired to devote himself to the Church. In 1559, when his uncle, Cardinal de Medici was elected Pope Pius IV, he made Charles cardinal-deacon and administrator of the Archdiocese of Milan. At the time Charles was still a layman and a young student. Because of his intellectual qualities Charles was entrusted with several important offices connected with the Vatican, and later appointed secretary of state with responsibility for the papal states.

The untimely death of his elder

“I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, naked and you clothed me, ill and you cared for me, in prison and you visited me.”

brother brought Charles to a definite decision to be ordained a priest, despite his relatives' insistence that he marry. Soon after being ordained a priest at age 25, Borromeo was consecrated bishop of Milan.

Working behind the scenes, Saint Charles deserves the credit for keeping the Council of Trent in session when at several points it was on the verge of breaking up. Borromeo encouraged the pope to renew the Council in 1562, after it had been suspended for 10 years.

Eventually, Borromeo was allowed to devote his time to the Archdiocese of Milan. The reform needed in every phase of Catholic life among both clergy and laity was initiated at a provincial council of all the bishops under him. If the people were to be converted to a better life, Borromeo had to be the first to give a good example and renew their apostolic spirit.

Charles Borromeo took the initiative in giving a good example. He allotted most of his income to charity, forbade himself all luxury, and imposed severe penances upon himself. He sacrificed wealth, high honors, esteem, and influence to become poor. Whereas the civil authorities fled at the height of the plague, he stayed in the city, where he ministered to the sick and the dying, helping those in want. Work and the heavy burdens of his high office began to affect Archbishop Borromeo's health, leading to his death at the age of 46.

DEDICATION OF ST. JOHN LATERAN

Of the four major basilicas, the oldest and most important is Saint John Lateran, the dedication of which is November 9. Though the pope now lives next to Saint Peter's Basilica, Saint John Lateran is the official cathedral of Rome. That means Saint John Lateran is not only the mother church of the Diocese of Rome but also the mother church of the entire world. When the Emperor Constantine granted full liberty to Christians in 313, they did not spare in order to construct places for the Lord – numerous are the churches

constructed at that time. Constantine himself also constructed churches, one of which he was a magnificent basilica on the Caelian Hill in Rome, over the ancient Lateran Palace, which Pope Sylvester I dedicated to Christ the Savior. The church was rededicated in 1724. It was at that time that the feast celebrated today was established and extended to the universal Church.

THINKING ABOUT A VOCATION?

Interested in discerning with the St. Philip Neri House? One can discern to be a priest or lay brother. Declare your interest to the Father and Brother either verbally or written so we can schedule a dinner visit. After the dinner visit, there is a week visit, then a month visit to determine if you fit in with the community.

Interested in joining the clergy in the Diocese of Buffalo? "You are a priest forever according to the order of Melchizedek." Priestly ordination lasts forever. Marriage is for this life only, which is why one can remarry after the death of a spouse. But a priest on earth remains a priest in Heaven. Find out more! Call Fr. Dave Baker at 716-847-5535 or visit buffalovocations.org

DONATE ❤️

DONATE TO THE SPN HOUSE

YOU CAN HELP US OUT DIRECTLY

The members of the St. Philip Neri House do not receive direct financial support from the Diocese of Buffalo. We rely on the salaries given for our work in the diocese and the generosity of monthly donors to help pay for seminary and supplemental living costs. Sadly, our house in Texas is having trouble selling and we have approximately \$2.5k a month that has to go to that until it sells (mortgage and upkeep). With the move, we lost the majority of our Tyler monthly donors, which covered this expense, along with seminary costs, and miscellaneous living expenses. Please prayerfully consider becoming a monthly donor. Scan the QR code or go to www.spnhouse.org.
