

Football Game Itinerary for Homecoming 9/27

12:45 PM – Band students are dismissed from their classes and will meet in the band room to grab instruments and equipment. Pit and drumline equipment will be over at Oak Orchard already. Once everyone is accounted for and ready, we will walk to Vets Park together. Once we get there, we will find a place for your belongings, warm-up in sections and get ready for our performance.

1:50 – Pep assembly begins. We will perform our show when we are given the “go ahead”. After we are finished, we will put our equipment down in the back of the field and you may go and sit with your class.

2:30 – When the Pep assembly is over, YOU are in charge of making sure you collect your belongings (including your instrument). You will not be allowed to leave your stuff in the cafeteria as Oak Orchard uses that space for dismissal.

Football Game:

5:45 PM - All Students Arrive at Oak Orchard and meet in the cafeteria. All drumline and front ensemble equipment will be loaded on the trailer still from the Pep Rally earlier that day

- You should be dressed in your bibbers when you arrive and have your jacket neatly with you. You should also have your instrument with you if you play a brass or woodwind instrument.
- Personal belongings can be taken into the cafeteria and put there

6:10 PM – Warm-up in sections

6:45 PM – Line-up outside of gym and walk over to the stadium together

We will sit in the stands and support the football team just as we did last time. If you have to go to the bathroom that is fine, however **you are not to just walk around**. Please go to the bathroom before we get into the stands. I saw too many students just walking around last time. We will be playing a couple of tunes throughout the game. Your friends that are not in band are not allowed to sit with you during this time.

8:15 PM – Approximate time of half-time performance

8:30 PM – Approximate time we will be done. At this time, we will walk back to the trailer to pack everything back up and dismiss from there.

Make sure you return your hat, plume, gloves, and medallion. You must PROPERLY HANG YOUR UNIFORM back up after you change out of it. If you are staying for the rest of the game, you are responsible for your instrument and uniform. You may not leave it in the school as it will be locked.

Any questions about Friday night please let Mr. Jaeger know. This is a great opportunity for us to perform in uniform the day before a show. This is also a great opportunity for us to support the football team. Please cheer them on, but act like young adults. Remember, you are representing the Marching Band AND the Medina School District!
