Monday May 27th

- 10:00 am Arrive at the dentist office on Park Avenue across from the Old Pickle Factory - look for the band trailer. You should not need to stop at the school beforehand, as we will load the bigger instruments onto the trailer after rehearsal on Tuesday Night. You should take your instrument home Wednesday or Thursday after school. The school will not be open for you to grab your instrument, so please make sure that you are thinking about this. You should come dressed in uniform and put your case on the band trailer or do not bring it at all as you will be dismissed from State Street Park at the end of the parade. If you are walking home or being picked up from there, you should leave your case in your parents' car.
