

## DAC 800.1 FVZ LR / DAC 800.2 VAC-P LR

*Hauschild Engineering pioneered dual asymmetric centrifugal technology 50 years ago. Since then, Hauschild SpeedMixer® bladeless lab mixers have become a staple in R&D labs and production facilities around the world. Other companies manufacture or distribute bladeless mixers, but nothing compares to the quality, accuracy and reliability of a Hauschild SpeedMixer®. It's an investment that pays off at every turn.*

## Technical Data

| Specification                   | DAC 800.1 FVZ LR              | DAC 800.2 VAC-P LR            |
|---------------------------------|-------------------------------|-------------------------------|
| Mixing capacity (g/lb.)         | Up to 800 / 1,76 <sup>1</sup> | Up to 800 / 1,76 <sup>1</sup> |
| Mixing volume (ml/gal)          | Up to 1000 / 0,26             | Up to 1000 / 0,26             |
| Mixing Speed (rpm)              | 800 ÷ 1750                    | 800 ÷ 1750                    |
| Mixing time (min.)              | 10                            | 10                            |
| Display                         | 5.9" Touchscreen              | 5.9" Touchscreen              |
| Internal light                  | No                            | Yes                           |
| Programs                        | 20                            | 20                            |
| Mixing steps/program            | 5                             | 5                             |
| Vacuum                          | No                            | Yes                           |
| Minimum pressure (mbar)         | N.A.                          | 0                             |
| Vacuum pump                     | N.A.                          | External                      |
| Voltage - Frequency             | 230 / 50-60 or 115 / 50-60    | 230 / 50-60 or 115 / 50-60    |
| Input Power KW                  | 1,2                           | 1,2                           |
| Hight Open lid (mm/inches)      | 960 / 37,7                    | 1030 / 40,5                   |
| Hight - Closed lid (mm/ inches) | 640 / 25,1                    | 730 / 28,7                    |
| Width (mm/ inches)              | 440 / 17,3                    | 440 / 17,3                    |
| Depth (mm/ inches)              | 640 / 25,1                    | 640 / 25,1                    |
| Weight (kg/lb.)                 | 91 / 200                      | 96 / 211                      |
