2023 Lancer Band "Props" Crew

Do I need to commit to the entire season?

- No.** If you can help only certain nights or a portion of the season, we'd still *LOVE* your help. Just let us know what you can commit to so that we can plan headcount. ***TEXT or EMAIL Brad re: any scheduling questions.**
(We all go on summer vacations. No problem. Miss those days ☺)

What skills are needed to participate, and do I need tools?

- No** special skills needed. The "Prop Garage" has all the tools needed. We will need help with jobs ranging from organizing to sorting drilling, cutting, wiring, nailing, and fastening. We'll find ways for everyone to pitch in.

What's involved with pulling a trailer?

- If you have a truck, and can tow a trailer, that would be helpful as well. We will need 9 Trailer drivers for every performance. Saturday invitationals typically depart around lunch time (detailed schedule will be provided) and return around 9:00 pm. There is one Wednesday event in mid-October.
***We DO need trailer drivers for Band Camp (Saturday delivery and return the following Saturday)**
