

# Uniforms

## What we do ...

We fit students for uniforms. Their uniform consists of a jacket, show shirt, performance top, bibbers, shakos, gloves, gantlets, black socks and Dinkles.

*\*We are looking for volunteers - both at the start of the season and during the season.*

### **Start of the season**

*Fitting the Students for uniforms:* measuring students, students try on various components, record sizes.

*Alterations:* if you can sew a button, you can help with uniforms.

*Ironing:* Iron labels into shirts, jackets, bibbers, iron uniforms so they're performance ready.

### **During the season**

*Washing:* Volunteers will help bring home and wash performance tops, and bibbers several times during the season.

*Shows and football games:* We need volunteers to help students prepare for performances (shine shoes, mirrors, help at the uniform table, braid hair, or ponytails, (deal with uniform crises)

If you're interested, and want to know more, there will be an informal meeting Thursday, June 6 at 6:00 pm in the band room.
