

Dear Sir/Madam:

Alumni in Recovery (AinR) is a non-profit 501(c)(3)* organization of dedicated young people who are now living in recovery and abstinent from all drugs and alcohol. AinR is pleased to announce the **1st Annual A WALK TO REMEMBER Fundraiser Event** that will take place on October 27th 2019 at the Westvale and Pascack Park.

Alumni in Recovery's mission is to provide a safe and reliable program while bringing awareness, hope and resources to our local communities. Partnering with Bereaved Parents, AinR aims to end the stigma surrounding the disease of addiction by sharing our stories with students and their parents at local middle and high school, as well as community outreach. The Parent Program partners with the young people in recovery to speak openly about our personal family struggles with addiction.

Alumni in Recovery is a 100% volunteer program. Our speakers are not compensated for sharing their experience, nor do we charge a fee for our presentations. To learn more about Alumni in Recovery please visit our website:

This community-sponsored event will be offering an opportunity for families and friends of all ages and abilities to participate. With the staggering number of deaths due to addiction and the urgent need to address and put an end to this epidemic, our hope to raise funds is even more prevalent. Funds used to date for Alumni in Recovery have come directly from private donors.

AinR is offering businesses the opportunity to be a part of this community-wide event by participating as a, **PLATINUM, GOLD or SILVER SPONSOR.**
