Successful rehabilitation is more than just a Detox Program and Twelve Steps.

- Temporary Housing – The DST (RDS) tent system offers unprecedented thermal and acoustic insulation, significantly reducing both energy consumption and the cost of heating and air conditioning.

PHASE 3

- Relocation and Job Placement Services

Depending on the support structure at home, relocation may be a better option for successful re-integration.

Several opportunities for job training and placement are available.

PHASE 3

- Community Workforce Development and Reintegration is a key component to combating substance abuse; a sense of purpose, a good day's work, and a home in a community of friends.
- For those that prefer a smaller residence, a tiny home development provides employment (build your own home) and a residence.

Oklahoma Reimagined

- Building a permanent solution to combat substance abuse; Blue Wolf Community.
- 160 Acre Community Development Project / Workforce Development
 - Net Zero/Disaster-proof Homes
 - Residential/Commercial
 - Grocery Store
 - Restaurants
 - Shopping & more
