Your Sheriff's Office Needs Your Help

DEPUTY JEFFERY E. MERRY JR.

Hillsborough County Sheriff's Office
Community Resource Deputy - Sun City Center

The Hillsborough County Sheriff's Office—comprised of nearly 4,000 law enforcement deputies, detention deputies, and civilian professionals—stands among the nation's largest full-service law enforcement agencies. Every day, we are privileged to serve as a trusted public safety partner for those who live, work, and visit throughout

Hillsborough County. Our mission remains steadfast: to protect, defend, and serve our community while upholding the rights, safety, and dignity of every individual.

Enhancing public safety and preserving a high quality of life requires more than enforcement alone—it demands strong, active community partnerships. True safety is built through collaboration among residents, neighborhood associations, civic groups, businesses, faith-based organizations, and volunteer partners. When law enforcement and the community work together, neighborhoods become stronger, safer, and more resilient.

Nowhere is this partnership more evident than in Sun City Center, where a robust network of service organizations and community volunteers plays a vital

role in supporting residents. That spirit of cooperation is once again on full display with the release of the **2026 South Shore Community Resource Guide**.

Produced by the South Shore Coalition for Mental Health and Aging, this comprehensive guide is far more than a directory—it is a powerful tool that connects individuals and families to essential services, support programs, and trusted organizations throughout our community. The guide represents the very best of what community collaboration can accomplish.

The Hillsborough County Sheriff's Office proudly partners with many of the agencies featured in the guide. These partnerships are instrumental in maintaining Sun City Center's low crime rate and exceptional quality of

To Our Readers

As President of the South Shore Coalition for Mental Health and Aging, I am proud of my community and the giving hearts who meet needs of neighbors daily. Looking back over this past year, the list of community connections where neighbors are truly helping neighbors is a long one!

Just a few examples are the new Senior Hotline where volunteers take calls and dispatch transportation to medical appointments with an assisting hand during the entire trip. The Men's Club of Sun City Center continues their support of this guide by providing the financial assistance to have 10,000 copies delivered into the hands of Sun City Center Senior citizens. The Community Foundation Tampa Bay has created an opportunity for financing for the residents of Sun City Center to have a new restaurant and resort style pool for social gathering and exercise. Advent Health has confirmed they will provide the Senior Hotline volunteers with a new van. Seniors In Service continues to manage the many

DEBBIE CANEEN

President: The South Shore Coalition for Mental Health and Aging

senior volunteers in our community who keep things moving forward for us all and the list continues!

If your organization provides resources to fill gaps for residents in our community, but a bit more assistance may make the difference for a family in need, please seek resources within the following pages.

This guide provides opportunity for non-profit organizations to come together to meet the needs in South Shore.

With our Coalition having the goal of "Connecting the Dots" of resources, I want to add the below list of food pantries that have recently been created along with some that have been in existence for years. These pantries are run by community volunteers to make sure no one in our South Shore community goes hungry.

If you have time to volunteer, please reach out to any of these organizations or Seniors In Service to be connected!

Warmest regards,
Debbie Caneen

SUN CITY CENTER SECURITY PATROL

1225 N. Pebble Beach Blvd, Sun City Center FL 33573 • (813) 642-2020 • www.sccpatrol.org

We have been patrolling the roads of SCC for over 40 years, we have 400+ members who together volunteer 30,000 hours and drive 110,000 miles each year that contribute to SCC having the lowest crime level in Hillsborough County.

We do wellness checks when a relative or friend cannot reach a loved one in our community, and support HCSO when a Silver Alert is called to find a missing person. We are an active member of the "Community Emergency Response Task Force" and "Disaster Radio Service Program". We partner with pet lover groups to help locate lost pets and operate a lost and found for the community. Within the CA, and KP areas, we provide transportation for ambulatory patients from hospital to home when other services are not available.

We need more volunteers to drive and dispatch. We have 3 hour shifts from 9am until 9pm providing a 12 hour service, 7 days a week. We ask our members to work 3 hours each month with flexibility to meet their needs.

PLEASE CALL OR STOP BY TO FIND OUT IF WE CAN HELP YOU, OR IF YOU CAN HELP US!

Betsy McGhee works frequently with Cricket Fraser on the Wheelchair van.

Profile in Compassion—Betsy McGhee

"Several times the Squad came to help my husband. I knew that as soon as we got settled, I'd volunteer. I was always so impressed with the kindness and compassion the volunteers showed. It inspired me to sign up. When I first joined the Squad in 2018, I wasn't sure where I would fit best. I started as an Emergency Medical Responder. The training was excellent and I felt like I could handle whatever situations we came to. Since then, I have served as a Van driver, Team Coordinator and I'm now Assistant Chief Financial Officer.

The longer I'm here, the more amazed I become at all the Squad does in the community. I just hope we can continue serving for many more years. These people are my "Squad Family," and my friends and I can't imagine a time when I wouldn't want to be here.

YOU Need US. WE Need YOU.

"When my wife Brenda, woke up in excruciating pain, I called the Squad for help. They were there so fast and were kind, professional and put my mind at ease. I can't imagine our community without them."
Jerome L.

We are FREE, because we are all volunteer. Please consider giving your time. Without you, our service and time in the community, may not last.

A Legacy at Work: How Philanthropy Is Powering Sun City Center's Future

BY LAURIE VALENTINE

JD, Senior Counsel, Philanthropic Giving,
Community Foundation Tampa Bay

For generations, Sun City Center has been shaped by residents who care deeply about their community and its future. Through their generosity, essential organizations such as the Sun City Center Emergency Squad, Critter Animal and Rescue Effort (C.A.R.E.), and Meals on Wheels have been strengthened. Today, that same spirit of giving is helping turn long-held plans into reality for the benefit of current and future residents.

As the Sun City Center Community Association moves

SCCCA PHOTO

The Sun City Center Community Association will begin construction of a resort-style pool, bar and restaurant in June 2026, if residents vote yes on two ballot items during a community-wide vote, starting Nov. 1 through Dec. 3.

forward with Phase 1-B of its campus improvements, a unique partnership with Community Foundation Tampa Bay is making it possible to expedite construction, manage

costs, and honor the philanthropic legacy of residents who intentionally set aside resources to benefit Sun City Center beyond their lifetimes. By establishing these funds at Community Foundation Tampa Bay, they ensured their generosity would continue to strengthen shared spaces, support neighbors, and respond to future community needs with care and flexibility.

“At Community Foundation Tampa Bay, we are honored to fulfill the charitable wishes of Sun City Center residents who loved their community and chose to leave a lasting legacy,” said Marlene Spalten, President and CEO of Community

You Don't Have to Struggle Alone, South Shore Is a Community That Cares!

Imagine being diagnosed with cancer and needing to travel 60 miles every week for treatment with no way to get there. Or recovering from surgery and finding that taking out the trash feels impossible. Maybe you've been targeted by an online scam and don't know who to call for help.

You might be reading this and it's not hard to imagine at all. It's your reality. Don't worry. Your neighbors are stepping up with new services to support you.

New Support Services Are Here for You

Dedicated, well-trained volunteers are at the heart of these services—ready to listen, guide, and even get behind the wheel to help seniors access the support they need.

- **One Call Does It All: The Senior Hotline**

Say hello to the NEW Senior Hotline, the hub of South Shore's community of caring. Sponsored by the South Shore Chamber of Commerce and the South Shore Coalition for Mental Health and Aging, the hotline is operated by trained volunteers who are ready to help.

Whether you need:

- Emergency food or utility assistance
 - Transportation to medical appointments
 - Help navigating scams
 - Social connection
 - Mental well-being resources
- ...we'll help connect you to trusted local services.

Call the Senior Hotline: (813) 419-4902

The Senior Hotline can also connect you to Chore Corps, a team

of volunteers who help with small but meaningful tasks—like changing a lightbulb, taking out the trash, or walking your dog while you recover from surgery.

Robin, a Chore Corps volunteer, recently helped the Barnetts by changing their AC filters while Mr. Barnett was hospitalized and Mrs. Barnett was recovering from hip surgery. It only took a few minutes—but his kindness made a world of difference

- **Companion Transportation Services**

Getting to medical appointments shouldn't be a barrier to good health. Seniors in Service engages screened, trained, and compassionate volunteers to serve as a friend to drive you to your medical appointments, listen and take notes during the visit if requested, and connect you to follow-up support for non-medical services that promote healing like food delivery or picking up prescriptions.

Call the Senior Hotline to schedule a ride: (813) 419-4902

Launched in 2025, Companion Transportation Services has already provided more than 300 rides—each one making a meaningful difference.

One ride made all the difference for Leo. After losing his wife last year, he has no family, lives alone in a small trailer, and can't even afford a cell phone. When he needed to get to Tampa General Hospital for a vital surgery, he didn't know how he would get there. That's when Mel, a volunteer driver, stepped in. He drove Leo to the hospital on surgery day, and

when the procedure was unexpectedly canceled, Mel brought him home and was ready again for the rescheduled date—making sure Leo got to surgery and bringing him safely back the next day. Without our services, Leo would have faced multiple costly Uber trips he simply couldn't afford.

Cheryl was diagnosed with cancer and had already missed several of her treatments because she didn't have transportation to get to her appointments. That's when she called the Senior Hotline in Southshore and learned about our Companion Transportation Services. Now, Cheryl has a reliable ride for every appointment, and just as importantly she has a friend so she doesn't have to face them alone.

Ed recently had open heart surgery and needed to get to Bradenton for an early morning appointment. His

SUN CITY CENTER EMERGENCY SQUAD

720 Ray Watson Dr.,

Sun City Center, FL 33573

www.sccems.com
Info@scc-EMS.us
Business Line: 813-633-1411
Emergencies: 813-634-3800

Sun City Center Emergency Squad is an all-volunteer Basic Life Support ambulance service serving Sun City Center residents since 1964. The Squad provides ambulance transport to most hospitals within Hillsborough County for emergency medical calls. We also provide medical transports by wheelchair van to dialysis; chemotherapy and doctors' appointments within a 25 mile radius of SSC, for wheelchair bound residents only. These must be scheduled at least 24 hours in advance. The Squad also has a loaner closet of walkers, wheelchairs, canes and crutches for loan to Sun City Center residents. We are open for blood pressure checks from 8am to 5pm, seven days a week.

SUN CITY CENTER SECURITY PATROL, INC.

Sun City Center Emergency Squad is an all-volunteer Basic Life Support ambulance

service serving Sun City Center residents since 1964. The Squad provides ambulance transport to most hospitals within Hillsborough County for emergency medical calls. We also provide medical transports by wheelchair van to dialysis; chemotherapy and doctors' appointments within a 25 mile radius of SSC, for wheelchair bound residents only. These must be scheduled at least 24 hours in advance. The Squad also has a loaner closet of walkers, wheelchairs, canes and crutches for loan to Sun City Center residents. We are open for blood pressure checks from 8am to 5pm, seven days a week.

Emergencies: 813-634-3800
Sun City Center Emergency Squad is an all-volunteer Basic Life Support ambulance service serving Sun City Center residents since 1964. The Squad provides ambulance transport to most hospitals within Hillsborough County for emergency medical calls. We also provide medical transports by wheelchair van to dialysis; chemotherapy and

doctors' appointments within a 25 mile radius of SSC, for wheelchair bound residents only. These must be scheduled at least 24 hours in advance. The Squad also has a loaner closet of walkers, wheelchairs, canes and crutches for loan to Sun City Center residents. We are open for blood pressure checks from 8am to 5pm, seven days a week.

SUN CITY CENTER SECURITY PATROL, INC.

A Legacy at Work: How Philanthropy Is Powering Sun City Center’s Future

(Continued from Page 8)

Foundation Tampa Bay. “Because of their generosity, we were able to say yes to this opportunity and help make new community facilities a reality.”

Rather than a traditional bank loan, this support takes the form of a program-related investment designed solely for community benefit. Community Foundation Tampa Bay does not financially benefit from the arrangement. The interest portion of the loan payments will be granted to the Sun City Center Community Association’s Forever Fund, ensuring continued support for community priorities long after the project is complete.

The project demonstrates how legacy giving can be put to work

in practical, visible ways. New facilities will include additional amenities that will create welcoming spaces where residents can gather, stay active, and connect. These improvements are expected to enhance daily life, support wellness, and strengthen the long-term vitality of the community.

Following the community’s approval on December 3, construction is expected to begin in June 2026. The project will be funded primarily through the Community Association’s Capital Fund, supported by home sale fees rather than member dues, with the Community Foundation’s philanthropic loan helping accelerate the timeline.

“This project is a powerful example of how thoughtful planning and generosity can benefit an entire community for generations,” Spalten added.

Sun City Center residents interested in creating a legacy plan are invited to connect with Laurie Valentine, JD, Senior Counsel for Philanthropic Giving at Community Foundation Tampa Bay. Call Laurie at 813-692-1880 to schedule a meeting with her at the SCC CA Information Center, 901 Cherry Hills Drive, on the first Tuesday of each month from 10:00 a.m. to 12:00 p.m. to discuss charitable planning options that support the community’s future.

Your Sheriff's Office Needs Your Help

(Continued from Page 4)

life by ensuring residents have access to the resources they need—before challenges become crises.

For added convenience, residents now have access to a dedicated **Community Resource Guide Assistance Line** to help navigate available services and connect with the right organizations quickly. If you have questions about the South Shore Community Resource Guide or need help finding support, you may call **(813) 533-0123** for personalized assistance.

I strongly encourage every resident to obtain a copy of the Community Resource Guide and keep it readily available. Share it with friends, neighbors, caregivers, and loved ones. You never know when a single phone

number or service connection can truly change a life. I also invite you to consider giving back by volunteering your time, talents, or resources with one or more of the outstanding organizations highlighted in the guide. Service to others is one of the most meaningful ways to strengthen our community.

As always, my door remains open. If you have any concerns, questions, or feedback, I welcome you to stop by my office at **948 Cherry Hills Drive, Sun City Center, or contact us at 813-252-5515**. Together—through partnership, engagement, and shared responsibility—we will continue to ensure Sun City Center remains a safe, thriving community we are all proud to call home.

What 211 and 911 Really Get for You

In a world filled with numbers and odd combinations of letters, 911 and 211 are the ones that count the most. Every man, woman and child, no matter what language they speak, should be taught these numbers because they are, literally, lifesavers.

- **Call 911 in an emergency for fire, police, an ambulance or anything in which you need an emergency responder to come to your location.**

911 links you immediately with a dispatcher who can send an emergency vehicle to you. (There is also a non-emergency number if no threat is pending, call **813-247-8200**)

- **The 211 number is not as well known, but also functions 24 hours a day, every day of the year.**

It's the Crisis Center number and caring and trained specialists will answer and help support you or your family through whatever difficult times you may be facing by providing you with emotional support, crisis intervention, and suicide prevention.

With 211, people are never alone. For instance, help is available for housing and homelessness, for childcare and early learning, for food and meals, for disaster information. There are even people at 211 who will provide tax return assistance, diabetes health and control, healthcare and insurance and early childhood development. (For the readers of this Resource Guide, if you would like to become a Community Partner or an affiliate of 211 Tampa Bay, call 727-210-4239.)

There are other -11 numbers that are useful:

- **511 will give you emergency and travel information – where there are accidents, highway delays**
- **711 is for people with a hearing or speech disability to use the telephone system by texting to call people with or without disabilities.**
- **811 is a required call for digging projects large and small to avoid underground lines, pipes and cables in your yard or construction site.**

You Don't Have to Struggle Alone, South Shore Is a Community That Cares!

(Continued from Page 11)

wife, Mary has severe anxiety in the car and can't drive. They heard about our Companion Transportation program and signed up for a ride. As soon as Mary got into the care she said, "I'm warning you in advance I get panic attacks and will keep my eyes shut the entire time". True to form her eyes were closed the entire trip, and when our driver Sharon got to the destination she couldn't believe it. On the return trip

home Mary said, "thank you for driving us, we didn't know who to turn to. You saved us!"

Don't Need Support? Give It to Someone Else

You can help make South Shore a community that truly cares. Volunteers are needed to:

- Answer calls through the Senior Hotline

- Drive seniors to medical appointments

- Help with light chores
- Offer companionship and support

We'll match you with an opportunity that fits your schedule, interests, and skills.

Contact Michelle Mason: mmason@seniorsinservice.org or (813) 492-8920

Below are two resources for up-to-date assistance

**Feeling depressed?
Anxious? Suffering from
addiction?**

**COVE BEHAVIORAL
HEALTH: [https://www.
