		10 05 55 PARK	6/7 SLED: pulled up, saw them, tried to turn Paul over, cell popped out, tried to do something, then put back
		10 05 57 GM data point sent, showing arrived at kennels	down, then went to MM, tried to take pulse, called 911 pretty much right away
		10 06 14 Calls 9111 (per bluetooth)	6/10: saw them laying down, knew it was bad, went over there and saw it, then called 911
		10 06 18 Calls 911 (per bluetooth) (10:06:31 per cell data) *Connects to Hampton	Now: got out, didn't go all the way to them, went back to car and called 911 & THEN went to check
		10 06 57 231 steps stop	pulses & turn them over. Paul- beltloop turn now
At kennels,		10 06 57 594 steps in 9:40, but really 484 sec, 8:04 bc of driving!!!!	
calls 911		10 07 09 911 Colleton starts recording	
		10 07 37 Tells 911: "I've been up to it now. It's bad."	
		10 08 18 Tells 911: "She's shot in the head, and he's shot really bad."	
		10 08 27 Rogan calls Paul	
	2.	10 08 27 To 911: I can see his brain she's facedown, I tried to turn her a little bit, but she's got a hole in her head	
		10 08 59 Approximate time you hear Alex call the dog "here"	Now: says he's saying "here" bc he's offering her an answer that they didn't shoot themselves.
		10 09 56 Approximate time you hear Alex say "I should have known"	(1 J 92*
	73.63 spm	10 10 34 To 911: Last talked to Maggie? "Hour and a half ago, probably two hours ago"	3:25 into 911 call is the first lie. NOW: paranoia from addiction, partners telling him don't talk to anyone without attorney, GSR test, relationship questions from Agent Owen, coupled w/ distrust of SLED caused him to lie.
		10 11 45 OUT OF PARK (tells 911 he's going to get a gun)	Possibly dropping off pills at the house before police arrive??
Drive to house		10 11 54 Leaving Kennels	
		10 12 33 To 911: Brings up boat wreck, 5 min 24 sec into call	8/11: went in side door and went straight to gun cabinet
Grab Gun		10 12 38 PARK *Hear Alex say "one second" on 911 call	Now: Got gun off pool table
Drive back to		10 13 39 OUT OF PARK *No logged msg of park for this entry	
kennels		10 13 58 911 begins recording again after brief pause	
		10.15 Abusting you have been been been and	
		10 15 About time you can hear dogs barking again 10 16 20 Approximate time AM asks to get off the phone to call his family	
		10 16 37 594 steps stop	
		10 10 37 394 Steps Stop
