What you need to know about video visits with a doctor, 24/7

#### What is LiveHealth Online?

LiveHealth Online lets you have a video visit with a boardcertified doctor using your smartphone, tablet or computer with a webcam. No appointments, no driving and no waiting at an urgent care center. Doctors are available 24/7 to assess your condition and, if it's needed, they can send a prescription to your local pharmacy.\*

Use LiveHealth Online if you have pinkeye, a cold, the flu, a fever, rashes, infections, allergies or another common health condition. It's faster, easier and more convenient than a visit to an urgent care center.

# Why would I use LiveHealth Online instead of going to visit my doctor in person?

LiveHealth Online isn't meant to replace your primary care doctor. It's a convenient option for care when your doctor isn't available. LiveHealth Online connects you with a doctor in minutes. Plus, you can get a LiveHealth Online visit summary from the *MyHealth* tab at **livehealthonline.com** to print, email or fax to your primary care doctor.

LiveHealth Online should not be used for emergency care. If you have a medical emergency, call 911 right away.

#### When is LiveHealth Online available?

Doctors are available 24/7, 365 days a year.

#### How does LiveHealth Online work?

When you need to see a doctor, simply go to livehealthonline.com or use the LiveHealth Online mobile app. Pick the state you're in and answer a few questions.

Setting up an account allows you to securely store your personal and health information. Plus, you can easily connect with doctors in the future, share your health history and set up online visits at times that fit your schedule.

Once connected, you can talk with the doctor as if you were in a private exam room.

#### How much does it cost to use LiveHealth Online?

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you'll just pay your share of the costs usually \$49 or less for a doctor visit.

### Will I be charged more if I use LiveHealth Online on weekends, holidays or at night?

No, the cost is the same.

#### How do I pay for a LiveHealth Online visit?
