

# ROADMAP

Avg. Reading Time: **12 min**

## How to success ?

At ZIP.AI committed to achieving our mission by constantly innovating and evolving our technology. Our core team and developers work tirelessly to build ZIP.AI

By building strong partnerships and continuously enhancing our platform with our community, we aim to empower crypto trading.

## Success Metrics

### Adopt on rate

The percentage of active users over the project divided by the total intended audience.

### Frequency of use

The number of times queries are sent per user on a daily, weekly, or monthly basis.

### Social Media

Intensity of posts related and number of community members supporting you as a result.

## Main Tasks

To provide crypto enthusiasts accurate, real-time trading signals, market analysis, and AI-powered tools to help them make informed decisions and maximize their profits in the crypto market.

To guide enthusiasts on various aspects of cryptocurrencies and trading, while maintaining a safe and real time zone.

## Future Plans

STICK TO ROADMAP AND KEEP BUILDING !

# ROADMAP

Q1-Q2 2024

## AI Crypto Chatbot
