

The image features a white central area framed by blue watercolor washes at the top and bottom. The watercolor has a textured, mottled appearance with varying shades of blue. The top edge of the blue wash is irregular and torn, while the bottom edge is more jagged and mountain-like.

A person is walking away from the viewer on a sandy beach. The person is silhouetted against the bright, hazy background. In the distance, a large, craggy rock formation rises from the water. The water is calm, and the sky is a pale, uniform color. The overall mood is serene and contemplative.
