### What to Anticipate:

- Two Meet-Ups
  - 1st Meet-Up - We look over material, Q&A and consider which option is best for us.
  - 2nd Meet-Up - Connected and committed, we will delve deeper into questions I have in order to organize, honor and plan our time together. We'll discuss schedule / payment options and plan accordingly.
  - During our 2nd meet up we'll look at the type of event you desire and its scale, collaborating and planning. If your desire is for a larger scaled event, we'll plan for this and possibly beyond our 8 day time together.
- We'll order your Everflow Spiritual Transfer Book after first meet up and it will be delivered to you personally.
- We'll stay connected leading up to our time together, and I will remain your friend and sister, always.
