Matthew Turman, PMP

Vice President Operations

June 23, 2018, Matthew was a client of Lee's

Lee's vision and experience is the right fit to pull together the variety of people and processes it takes for the AISC certification.

At his core he has the heart of a teacher and demonstrates the positive attitude that is necessary to "will" a team through the new and often choppy waters of implementing any new system.

A true agent of change and has our full recommendation.
