## Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 45 of the *Life-study of John*, entitled Life Processed for Multiplication (4). This is the second message covering John 20, a chapter about the Lord's resurrection. Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

“Although the Lord's resurrection had been accomplished, the discovery of it required the seeking of His disciples. The discovery of His resurrection was made by the loving seekers of the Lord Jesus. John chapter twenty shows the kind of person who will realize the Lord's resurrection, the kind of person to whom the vision of His resurrection can be disclosed. How can we have the revelation of the Lord's resurrection? There is such a wonderful and mysterious fact as the Lord's resurrection accomplished in this universe. But how can we know it? How can it be revealed to us? How can we have this vision? Only by loving the Lord and seeking Him. The fact of the Lord's resurrection has been accomplished, but it must be discovered and seen. Before Mary the Magdalene came to the tomb, the resurrection in life had in fact been accomplished. But Mary had to discover it by loving and seeking the Lord. This lays down a principle. Today the resurrection of Christ is an accomplished fact, yet so many people have not seen it. They have never come to the point where they have discovered it. Have you discovered the fact of Christ's resurrection? Have you received the revelation or vision that the Lord has been resurrected? I know you have the knowledge, the doctrine, and the story of His resurrection, but have you discovered the fact of it in the spirit? If we would make such a discovery, we must first love the Lord and seek Him.”

(Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 45)

Key verses for pray-reading: John 20:17, 1 Pet 1:3, Hebrews 2:10-12

Questions:

1. What are the three kinds of disciples?
2. How did the Lord's "friends" become His "brothers"? How does this fulfill God's eternal purpose?
3. What is the significance of the Lord's Father and God becoming our Father and God?
