Life-Study of Romans - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 10 of the *Life-study of Romans*, entitled "The Gift in Christ Surpassing the Heritage in Adam". This message introduces the next major section of Romans concerning sanctification (5:12-8:13), beginning with 5:12-21. Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

Romans 5:21 says, "Grace might reign through righteousness unto eternal life through Jesus Christ our Lord." Grace reigns. We have another king because now we are in another kingdom. Once we were in the kingdom of death, and sin was our king through death. Now we are in the kingdom of life, and grace is our king. Grace reigns through righteousness unto eternal life. This thought is very deep. Why must grace reign through righteousness? Because we were sinners. If we had not been constituted sinners, we would have been clean and righteous, with nothing in our being contradicting God's character. If such had been the case, we would not have needed righteousness. However, we were constituted sinners. How can grace, which is God Himself, reign over such unrighteous people? Grace needs an instrument, a means to reign. This instrument, this means, is God's righteousness. Thus, grace reigns through God's righteousness unto eternal life. Because Christ has died on the cross to accomplish redemption for us and because God's righteousness has been revealed to us, we have a position to enjoy God as grace. We even have the position to claim God as our grace. Therefore, grace can reign through righteousness unto eternal life. (Witness Lee, *Life-study of Romans*, Living Stream Ministry, Anaheim, CA, msg. 10)

Key verses for pray-reading: Romans 5:15, 17-21

Questions:

1. As we enter the next major section of Romans (5:12 - 8:30), how do we see that Paul's focus changes from positional salvation to dispositional salvation?
2. Summarize who the two men are, what were their two acts, and what were the two results.
3. Why must grace reign through righteousness?
4. What is the "abundance" of grace in our experience?
