Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 18 of the *Life-study of John*, entitled The Need of the Thirsty – Life's Quenching. In this message, we come to John 7, a chapter concerning Life under the persecution of religion, Life's cry to the thirsty ones, and the division caused by Life's appearance.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"Sometimes when a child needs medicine, his wise mother will hide the medicine in a drink. When the child takes the drink, he gets the medicine. There is medicine in the all-inclusive Spirit. This medicine is the killing death of Christ that is in the Holy Spirit today. The more you say, "O Lord Jesus," the more you receive the all-inclusive Spirit. After a few minutes you may feel the Spirit killing your temper, pride, selfishness, and other negative things. Have you ever tried to reckon yourself dead according to Romans 6? If you have, then you know that the more you reckon yourself dead, the more you are alive. However, within the all-inclusive Spirit is the killing of the cross. The death mentioned in Romans 6 is now included in the Spirit as revealed in Romans 8. So, this all-inclusive Spirit constantly puts you on the cross as mentioned in Romans 8:13. The killing effect of the death of Christ is not merely on the cross, for if it were, it would not be prevailing for us. That killing effect today is in the Spirit of Jesus Christ. As this Spirit moves within us, the killing effect of the cross penetrates into our being. He will kill every negative element in our being. Furthermore, in this all-inclusive drink there is the nourishing ingredient. In this Spirit is all that we need." (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 18).

Key Verses for pray-reading: John 7:37-39

Questions:

1. In what ways did men judge the Lord Jesus "according to appearance" (v. 9)?
2. In our human experience, what does the "last day" (v. 37) represent?
3. What does it mean that "the Spirit was not yet" (v. 39)?
4. What is the significance of the "rivers of living water" (v. 38) being plural?
