Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 11 of the *Life-study of John*, entitled "The Need of the Immoral- Life's Satisfying (1)". In this message we come to John 4:1-42, concerning what is man's second need? What is his need following regeneration? The second need is satisfaction".

Here are some excerpts from this message followed by key verses for pray-reading and questions for your study:

"Therefore, following the case showing the need of regeneration, we have a case showing genuine satisfaction. Nothing can satisfy man except Christ Himself. As long as Christ is not the satisfaction of our human life, nothing can satisfy us. There is no satisfaction apart from Christ. As human beings, we always feel thirsty; only Christ can quench our thirst.

The point here is this: the Savior knows where the sinner is. He knows the sinner's true situation. The Lord Jesus went to the well, sent all of His disciples away, and sat by the well, waiting until the woman came. If you look back into your salvation, you will realize that, to some extent at least, the same principle was operating. You did not go to heaven—the Lord came to you. He came down to the very place where you were.

The Lord Jesus said to the Samaritan woman, "Everyone who drinks of this water shall thirst again" (4:13). This statement is simple but its meaning is profound. The "water" here signifies the enjoyment of material things and the amusement of worldly entertainment. None of these can quench the thirst deep within man. However much he drinks of this material and worldly "water," he shall thirst again. The more he drinks of these "waters," the more his thirst is increased."
(Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 11).

Key Verses for pray-reading: John 4:23-24.

Questions:

1. Explain from your own experience why being regenerated is not adequate but we also need to learn to be satisfied in the Lord by drinking of Him.
2. Explain the crucial point, "and He had to pass through Samaria." How does this relate to us?
3. Why did the Lord ask the Samaritan woman to call her husband when she ask for the living water? How does this relate to us in experiencing drinking the Lord as our living water?
