Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 13 of the *Life-study of John*, entitled "The Need of the Dying - Life's Healing". In this message we come to John 4:43-54, where "*Jesus returned to Cana of Galilee, the place of the weak and fragile people*". The Lord had previously been there to perform the first sign—changing the water of death into the wine of life. Now He returned to the same place to perform the second sign, which, in the principle of life, corresponds to the first: transforming death into life. This third case among the nine unveils the need of the dying people for the healing of life.

Here are some excerpts from this message followed by key verses for pray-reading and questions for your study:

"Although the royal official begged the Lord to come down and heal his son (John 4:47 , 49), the Lord simply spoke the word, and the boy was healed. "Jesus said to him, Go, your son lives. The man believed the word which Jesus said to him and went his way" (v. 50). The royal official believed the word out of the mouth of the Lord. When he learned from his slaves that the boy was living, he and his whole household believed (vv. 51-53). Hallelujah for the life-giving word! We love the life-giving word, not the word in dead letters but the word that is the Spirit. The Lord simply spoke the life-giving word, and the dying boy was healed. Today the Lord is still sending forth His healing word. When the dying people receive this word through believing, they are healed with life. Once the life-giving word has been transfused into us, whether or not we are conscious of it, we can never be the same. The life-giving word brings about a real change in our life.

When dying people receive the word through believing and are healed with life, this, in principle, is changing death into life. Death's deadening power is overcome by life. Praise the Lord for His healing life and for the life-giving word that heals all our sicknesses! Death is of the source of the tree of knowledge, and life is of the source of the tree of life. We were born into the sickness of death. The Lord's word of life heals our death. All we need is to receive and believe in His life-giving and healing word."

(Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 13).

Key Verses for pray-reading: John 4:50-53.

Questions:

1. According to this message, how can we experience life's healing as revealed in Romans 8?
2. Although the royal official begged the Lord to come down and heal his son, the Lord simply spoke the word, and the boy was healed. The royal official believed the word that came from the Lord's mouth. How does this relate to us and our own experience?
3. Have you experienced the Lord's healing in your daily life? Share your experience with your study group.
