Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with message 31 of the *Life-study of John* - "**The Dispensing of the Triune God—for the Producing of His Abode (3)**". This message covers John chapter 14, which unveils how the Triune God dispenses Himself into man as their life, their life supply, and ultimately their everything. Through this divine work, God accomplishes His building in and among His chosen people.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"I hope that by now we all are clear concerning the revelation of John 14 . We should not consider that this chapter speaks about the Lord going to heaven to build a heavenly mansion and of His returning to take us up to that mansion. This is altogether an understanding according to the natural human concept. We must drop this concept. God does not have two buildings, a mansion in heaven and a church on earth. No, He has only one building—His building among and with His redeemed ones, that is, His living dwelling place. In the past God's building was with Israel, today it is with the church, and ultimately it will consummate in the New Jerusalem. This is God's building. The way for God to accomplish this building is to dispense Himself into us all, and the way for God to dispense Himself into us is by His being the Father, Son, and Spirit. God the Father is the source, origin, substance, and element. God the Son is the expression, manifestation, and way for God to touch man and for man to touch God. Finally, God the Spirit is the reality of all that God the Father and God the Son are. Whatever God the Father and God the Son are, is fully realized in God the Spirit. The Father in the Son and the Son as the Spirit reach our spirit, first coming into our spirit as our life, second as our life supply, and finally as our everything. This Triune God first dispenses Himself into our spirit. Then He is continually spreading Himself from within our spirit to our whole being. He wants to spread from our spirit throughout our entire being. He wants to spread from our spirit to our soul and even into our body (Rom. 8:11), until our whole being is fully saturated and possessed by Him. This saturation is the actual building of His eternal habitation. The more we allow Him to saturate and possess us, the more He will accomplish His building in, through, and among us. Eventually, in this age He will have local churches in different localities as the expression of this building. Ultimately, when we all are in the new heaven and the new earth, God will have the New Jerusalem as His eternal dwelling place to express His glory forever." (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 31).

Key Verses for pray-reading: John 14:9-10, 25-17, 20, 23-24, 25-26

Study questions:

1. According to the message in the *Life-study* and John 14, please describe how God is Triune, and why is God Triune?
2. In John 14:7–14, the Father is embodied in the Son and seen among the believers. Please describe six main points related to this revelation.
3. Based on John 14:15–31, there are twelve points concerning the Son being realized as the Spirit to abide in the believers, the Triune God making abode with the believers, and the Comforter's reminding and Life's peace. Using these twelve points, please prepare and share a five-minute short gospel message that could be shared with other Christians.
