Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 40 of the *Life-study of John*, entitled Life's Prayer (3). In this message we come to John 17:14-26, and see the second and third factor of genuine oneness. The second factor of genuine oneness is being in the Triune God through sanctification by the holy word. We are separated from the world by the holy word of the Lord. The third factor of genuine oneness is to be in the divine glory for the expression of the Triune God. The Father righteously reveals His life and glory to those who know Him. Through His love, the believers abide in His presence and express Him.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"... As we have seen, the first ground of oneness is regeneration, receiving the life of the Father, and the second ground is sanctification, being separated from everything other than God. The world is simply everything outside of God. When we have been separated from everything outside of God to God Himself, then we are on the ground of sanctification, being separated from all worldly places and worldly things unto one center. This one center is the Triune God, the Father in the Son as the Spirit. We have been sanctified unto this very center, and herein is oneness. The third ground of this oneness is even deeper and higher than this. It is the oneness in the manifestation of the divine glory. After we have been regenerated, we must be sanctified by giving up the world, and after being separated from the world, we must live, through the denying of ourselves, by Christ as our life who is the hope of glory within us (Col. 1:27).

In verse 23 the Lord said, "I in them, and You in Me, that they may be perfected into one, that the world may know that You have sent Me and have loved them even as You have loved Me." How can we be perfected into one? Only in the glory of the divine life. We must live by this glorious divine life so that we may be absolutely perfected in the very glory of the divine life. By denying ourselves we can experience the divine life to such a degree that we are perfected into one. If the brothers in the church life argue and debate with one another one day and then confess and apologize to one another the next day, it means that they have not yet been perfected into one. On the day they realize in full the matter of crucifixion, that the "I" has been crucified on the cross and that they are living by the life of the divine glory, that will be the day when they all will be perfected into one. On that day they will no longer debate or quarrel, because there will not be the self and the opinions. Then they will be perfected into one.." (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 40).

Key Verses for pray-reading: John 17:22-26.

Questions/Study Points:

1. What is the relationship between sanctification in the truth and the believers' oneness? How does the Lord's prayer reveal the way believers are separated from the world unto God's purpose?
2. What is the glory that the Father gave to the Son and that the Son has given to the believers? How does this glory build the believers into oneness for God's corporate expression?
3. How are the Father's righteousness and love revealed in His relationship with the Son and the believers?
