Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 39 of the *Life-study of John*, entitled "Life's Prayer (2)". In this message we come to John 17:6-13 which touches on the oneness.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"The real oneness, the building up of the believers, is in the Father's name by the eternal life. Eternal life is the reality of the Father's name. The Father's name is Father, and the reality of the Father is the divine life. This is even true with respect to our physical father, for our physical father's reality is his life. If our father had no life to impart into us, he could never have been our father. My father is my father in reality because he has the life which has been imparted into me. The very life which has been imparted into me by him is the reality of his being the father. The word Father must not merely be a title; it must be a reality. The divine life, which is the eternal life, is the reality of the title Father. The name Father is very much related to the divine life. Without having the divine life, God could never be the Father. How is it possible for a man to be a father? Only by his life. If you do not have life, you cannot be a father. A father is a producer. A father does not produce by manufacturing but by begetting. A father has a begetting life. Without that life, a man has no reality of being a father. Remembering that the Father has the divine life for begetting, propagating, multiplying, and bringing forth many sons will help us to understand the Gospel of John much better.

Whenever we call Him Father, we must understand that this title is realized by His divine life. Without His divine life, the name Father is merely an empty term without content or reality. Since the reality of the title Father is the divine life, to say that we are one in the name of the Father means that we are one in the divine life... What is the revelation behind the name Father? Father is the name for the relationship of life. When I say, "my Father," I mean that I have His life and that I was born of Him... It is in the New Testament that the Lord reveals God as the Father who regenerates many sons. He is the source of life; hence, He is the Father. It is His intention to bring forth innumerable sons by regenerating them with His life... When we call God our Father, we must realize that He is our genuine Father. He is not our father-in-law, and we are not His adopted children. Our Father is our Father in life, our genuine Father. We call Him Father because we were born of Him and have His life. How sweet is it to call God our Father!" (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 39).

Key Verses for pray-reading: John 17:6-13.

Questions/Study Points:

1. What is the first aspect of oneness?
2. How can we receive the Father's life?
