Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 37 of the Life-study of John - "The Work of the Spirit unto the Mingling of Divinity with Humanity (2)". This life-study message covers John 16:5-33.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"...The first category of the Spirit's work is to convince sinners to repent, believe, and be regenerated. The second category is the Holy Spirit's dwelling in the regenerated believers to reveal Christ, to glorify Christ, and to make Christ real in the believers.

The Spirit of reality is the full realization of the Son. After the Spirit has brought us to salvation, He will become in us the very reality of the Son Himself. Whatever the Son is, has, and has accomplished, obtained, and attained will all be fully wrought into us through the Spirit...the Spirit of reality will bring us into all the reality of Christ.

...consider some examples of how the Spirit makes God in Christ real to us. The Bible says that God is light (1 John 1:5). The Bible also says that Christ is light (John 8:12). This means that the very light, which is God Himself, is the Son. But how can this light be realized? How can it be real to us? It is realized through the Spirit. When the Spirit moves within us, the light is shining. The light is both the Father and the Son. The Father is the source and the essence of light, and the Son is the embodiment and expression of this light. We realize this light in actuality by the Spirit. When the Spirit moves within us, He is the reality of light.

The church life is absolutely dependent upon the Spirit. Mere doctrines concerning the Father and the Son are inadequate. We need a living application of the Father in the Son by means of the Spirit. The Spirit glorifies the Son by revealing Him with all the fullness of the Father...How does the Spirit glorify Christ? He glorifies Christ by revealing Him item by item. For instance, in all that Christ is, there is an item called humility. One day the Spirit reveals Christ to you as your humility. This is not a doctrine of humility; it is the living person of Christ revealed to you as humility. Spontaneously, a living humility will come out of you. That is the glorification of Christ. (Witness Lee, Life-study of John, Living Stream Ministry, Anaheim, CA, msg. 37)

Key Verses for pray-reading: John 16:8, 13-15

Study questions:

1. What are the three categories of the Spirit's work?
2. How does the Spirit of reality glorify the Son, and bring in the mingling of divinity with humanity in the church life?
3. How can God in Christ as light and life be real to us?
4. Describe the meaning behind the Son that was to be born in resurrection as a newborn child in John 16:16-24.
