Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 35 of the Life-study of John, entitled "The Organism of the Triune God in the Divine Dispensation - (3)". In this message we cover John 15:12-17. John 15: 1-11 is on our relationship with the Lord. In the second part of John 15 we see that the branches should love one another to express the divine life in fruit-bearing.

Here are some excerpts from this message followed by key verses for pray-reading and questions for your study:

"The life within all of us is one life. The life in you is exactly the same as the life in me. This resembles the circulation of the blood in our physical body. The blood in our body circulates through every member of our body. In like manner, the inner life of all the branches is one. This life should continually circulate through all the branches. Then all the branches will be so living and filled with the riches of life in order to bear fruit."

"The branches need to love one another in the life of the Son, in the love of the Son, and in the commission of the Son which is to bear fruit for the glorification of the Father. We need to love one another in the Lord's life, the divine life, in the Lord's love, and in His commission of fruit-bearing. Life is the source, love is the condition, and fruit-bearing is the goal. If we all live by the Lord's life as the source, in the Lord's love as the condition, and for fruit-bearing as the goal, we surely will love one another. Having different sources of life, different conditions, or different goals will separate us and prevent us from loving one another.

Christians are fond of talking about loving one another. If we love one another in our human life, that will bring in death. If we love one another in an emotional way or for our own purpose, that also will result in death. We must love one another in the life of Christ, in the love of Christ, and in the commission of Christ. We must not love one another in our natural life, with our emotions, or for our own purpose. We must love one another in the divine life, with the divine love, and for the purpose of bearing much fruit that the Father may be glorified." (Witness Lee, Life-study of John, Living Stream Ministry, Anaheim, CA, msg. 35)

Key Verses for pray-reading: John 15:9-17

Questions:

1. What is the right relationship among believers based on the picture presented in John 15?
2. What are the means with which the chosen and appointed branches use to bear the remaining fruits?
