Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 7 of the *Life-study of John*, entitled "Life's Purpose." In this message we come to John 2:12-22, the main subject of which is that life's purpose is to build the house of God.

Here is an excerpt from this message followed by key verses for pray-reading and questions for your study:

"It is quite interesting to see that in John chapter two we firstly have the case of changing water into wine (2:1-11) and then, following that, the case of dealing with the temple (2:12-22). We must believe that both of these cases were recorded for the purpose of signifying something beyond the mere account of historical events. Why does the dealing with the temple follow the changing of death into life? It shows that life is for God's temple . In other words, life is for God's building. In the incident of the Lord's changing water into wine, we saw the principle of life, that is, to change death into life. Now, in the case of the dealing with the temple, we see the goal, the purpose of life, that is, to build the house of God" (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 7).

Key Verses for pray-reading: John 2:15-17, 19, 21

Questions/Study Points:

1. What are the two aspects of the Lord's dealing with the temple?
2. What is the spiritual significance of the Lord's cleansing of the temple and what are the tools that He uses to purge away all the defilement in His spiritual temple today?
3. Why does the Lord allow the enemy to damage and destroy the church? What is the Lord's response to that damage? What should our attitude be today concerning the enemy's attempts to damage the church?
4. What sign did the Lord give the Jews in John 2:19 and how is this sign being realized today?
