## Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 8 of the Life-study of John, entitled "The Need of the Moral People – Life's Regenerating (1)". This message covers John 3:1-13. Here are some excerpts from this message followed by key verses for pray-reading and questions for your study:

"Due to human culture and Jewish religion, Nicodemus thought that man needed to behave. Since man must have good conduct and worship God in a proper way, man needs much teaching. Nicodemus considered Christ to be a teacher come from God. This indicates that he might have thought that he needed better teachings to improve himself. But the Lord's answer in the following verse unveiled to him that his need was to be born anew. To be born anew is to be regenerated with the divine life, a life other than the human life received by natural birth. Hence, his real need was not better teachings, but the divine life. Nicodemus was seeking for teachings which belong to the tree of knowledge, but the Lord's answer turned him to the need of life, which belongs to the tree of life. The Lord told Nicodemus very emphatically that what he needed was to be born again. Thus, man's real need is to be regenerated with another life. All of us must realize that what we need is not religion or teaching to regulate and correct us, but another life, the life of God, to regenerate us. Man needs regeneration because he needs the divine life. Regardless of how good you are, you still do not have the life of God. You need another birth in order to receive the life of God with His divine nature. Although you may feel that you are good, yet you must admit that you do not have the life of God with His divine nature. Another birth, regeneration, is necessary that you may receive another life, the divine life of God." (Witness Lee, Life-study of John, Living Stream Ministry, Anaheim, CA, msg. 8)
