Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 5 of the Life-Study of John. "AN INTRODUCTION TO LIFE AND BUILDING (4)." This message is a review of the entire chapter 1 of John. John 1 reveals Christ as both the Son of God and the Son of Man. He is the Son of God to impart God into us as our life, and He is the Son of Man to be the very essence of the building of God's house. In eternity past there was no humanity, and there was no dwelling place for God. In eternity future there will be humanity, and God will have a dwelling place.

Here is an excerpt from this message with verses and questions for your study:

"The Lord is both the Son of God and the Son of Man. If He were not the Son of God, He could never be our life. If He were not the Son of Man, He could never be the essence of the building of God. The Son of God is for life, and the Son of Man is for building. The Bible never requires that we believe that Jesus is the Son of Man before we can have life. In order to have life, we must believe that Jesus is the Son of God. We all must believe that Jesus, the little Nazarene, is the Son of God. If we believe this, we have eternal life. After we have received eternal life, we must further realize that this Jesus who is the Son of God is also the Son of Man. His divinity is life to us, but His humanity is for the building of God. God's building needs His humanity. We need Jesus as the Son of God, but God needs Him as the Son of Man." (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 5).

Verses: John 1:1, 14, 49; Isaiah 66:1; Rev 21:2

Questions:

1. What are the two sections of eternity? What is the critical difference?
2. Why is Satan not afraid of the Son of God, but of man?
3. Name five items of God's accomplishments on the bridge of time.
4. What will be God's eternal habitation?
