Life-Study of John - Study Guide

Dear brothers and sisters,

We will continue this week's truth pursuit with Message 47 of the *Life-study of John*, entitled: Life in Resurrection (2). In this message we come to the Spirit breathed into the believers as the Comforter 20:14–21:25.

Here are some excerpts from this message followed by key verses for pray-reading and questions for your study:

"If we put 1 John 2:1 together with John 14:16, we see that today the Lord Jesus is our Advocate at the right hand of God in the heavens and, at the same time, He is also the Comforter in our spirit. In the heavens, He is the Advocate with the Father; in our spirit He is the Comforter. This is why He is the ladder upon whom the angels of God are ascending and descending (1:51). As the ascended Lord, He is our Paraclete with the Father, taking care of our case in the heavens. As the indwelling Spirit, He is the "Paraclete with us" (14:16-17), the One alongside of us who is taking care of us. How I appreciate Him as the Comforter! He is both here and there at the same time.

In creation He was merely God, the Divine Being. But after passing through the process of incarnation, human living, crucifixion, resurrection, and ascension, what a God He has become! Now He is God not only with divinity but also with humanity, human living, the all-inclusive crucifixion, resurrection, and ascension. He is now such a wonderful Person with divinity, humanity, and so many virtues, [563] attributes, and attainments. This is our God today who reaches us and enters into us as the all-inclusive Spirit. This is the processed God for our enjoyment. Today we are enjoying such a processed God.

We may receive something from the Lord and even of the Lord during the morning watch, but this is something we need personally and individually. We must also come to the meetings to receive something more important. The morning watch and the church meetings are two aspects. We need the personal blessing of the first aspect as well as the corporate blessing of the second." (Witness Lee, *Life-study of John*, Living Stream Ministry, Anaheim, CA, msg. 47).

Key Verses for pray-reading: John 20:19-22.

Questions:

1. What does it mean our God has been processed for our enjoyment?
2. Explain the difference between personal blessings and corporate blessings and why it is crucial to have both.
3. What was the purpose of the Lords appearing and disappearing for a period of time?
