HURRICANE SEASON TIPS

Hurricane season lasts until the end of November, so we want to make sure all our residents are prepared for any hurricanes or severe storms that may occur this season.

Below are some helpful preparedness tips to keep in mind:

- Have an evacuation plan: Where will you go and how will you get there?
- Designate a small, interior, windowless room in the house to shelter yourself
- Gather emergency supplies: food, water, medicine, flashlights, batteries, etc.
- Secure items outside in case of strong winds
- To prepare for flooding, stockpile sandbags and clean out drains, gutters, and downspouts
