

# HORSE HEALTH CERTIFICATE INFORMATION

## IMPORTANT EQUINE HEALTH INFORMATION

We strongly recommend all horses stabling on the Colorado Horse Park Grounds arrive between 8:00 a.m. and 5:00 p.m. If it is necessary to arrive at any other time you **must make arrangements prior to arrival**. Please contact:

Kristyn DiFalco / [horsehealth@langershows.com](mailto:horsehealth@langershows.com)

or

Zach Price – [zapr4@aol.com](mailto:zapr4@aol.com) / 303.941.0268

Submit health certificates for pre-check to facilitate a quick arrival – [horsehealth@langershows.com](mailto:horsehealth@langershows.com)

All paperwork must be in the horse's show name.

LEG Shows and Events Management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by adhering to the following requirements for entry to the facility.

1. A current negative Coggins test is required for all horses entering the facility. Please renew before it expires, and not just before it is necessary to leave the state.
2. **Statement of Health/Veterinary Health Certificate** signed by a licensed veterinarian **within 30 days of arrival** at CHP, documenting that the horse has:
  - A. Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with the most recent booster being within 180 days. Written Statements from the Vet explaining reasons for being bolstered within 180 Days MAY be accepted. IN NO CASES MAY THE BOOSTER BE OUTSIDE OF 180 DAYS. Horses not in compliance with this rule may be denied entry to the competition grounds upon request by Management.
  - B. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
  - C. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days.
3. Current vaccination against WNV, EEE, WEE, Tetanus, Rabies are strongly recommended.
4. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is highly recommended that prior to arrival you establish a log of temperatures taken at least twice daily. **While on the show grounds temperatures must be taken twice daily (am and pm) and logged.** Competition Stewards will be spot checking temperature logs of all horses, please make sure each horse's temperature log is readily available. Any horse on the show grounds with a temperature over 101.5 F must be reported immediately to LEG Management and the Official Show Veterinarian. It is always better to err on the side of safety. Isolation stalls are available on the grounds and if necessary at a local veterinary practice if the need arises.
5. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra horses on a horse van, or moving from stable to stable is the fastest way to compromise your horse's and your neighbor's horse's health.
6. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.
