

## ***TESA VOCATIONAL GRANT APPLICATION FOR THE 2025-2026 ACADEMIC YEAR***

The TESA Vocational Grant Program is open to any prospective student, 18 years of age or older, planning to pursue an eligible vocational/technical (VOC/TECH) course within the United States. Each applicant must be a citizen of the United States of America and a resident of Texas on the date the application is submitted. While graduating high school seniors may apply, the program is not limited to high school students. A high school diploma or equivalent GED is not required. Only one application per individual may be submitted, and it must be received by the local sponsoring Elks Lodge by January 30, 2026.

An eligible program is defined as a 2-year or less vocational or technical program, culminating in a terminal associate degree, diploma or certificate, but less than a baccalaureate program (Bachelors degree). A student must plan to carry the minimum number of credit hours required each term or semester to be considered a full-time student. The grant may be used for vocational night school, but may not be used for part-time study.

Vocational Grants are issued in the form of Certificates by the Texas Elks State Association, conditioned upon the enrollment of the individual as a student in a VOC/TECH course at a College or Voc/Tech school in the United States. The funds represented by the certificate will be sent directly to the school ONLY after TESA has received the Verification of Student Enrollment form, completed and signed by the proper officials of the school to be attended. Grants may not be used to cover retroactive charges and may NOT be used to cover general at-home living, car payments, or childcare costs. This grant will not cover payments for any tuition expenses incurred prior to July 1, 2026.

Applicants must file entries only on the official application form furnished by the Texas Elks State Association. Use of any other form will result in disqualification from grant consideration. The official form may be reproduced if necessary. Completed applications must be received by the local Elks Lodge nearest your residence by January 30, 2026.

Please note: Incomplete applications will not be considered. It is imperative that all information be set forth, including information as to the applicant's costs to attend the chosen course, so that TESA may evaluate the applicant's needs appropriately.

The State Chairman will notify applicants of results in late April 2026. All applications become the property of the Texas Elks State Association and will be destroyed after judging.
